# Quarterly Schedule A for Part-Quarterly (Monthly) Filers Instructions

## Taxes on Selected Sales and Services in Nassau and Niagara Counties

### General information

#### Who must file

You must complete and file Form ST-810.2, *Quarterly Schedule A for Part-Quarterly (Monthly) Filers*, if you sell or provide any of the following taxable services in Nassau County, Niagara County, or both:

- Nassau County: food and drink; hotel or motel room occupancy
- Niagara County: food and drink; hotel or motel room occupancy; admissions, club dues, and cabaret charges

#### Requirement to file Form ST-810

If you must complete this schedule, you must also complete Form ST-810, *New York State and Local Quarterly Sales and Use Tax Return for Part-Quarterly (Monthly) Filers*.

In Step 3 of Form ST-810, report any taxable sales and purchases you are not reporting on this or any other schedule. For example, restaurant and hotel operators must report sales of cigarettes and candy on the appropriate jurisdiction line in Step 3 of Form ST-810.

#### Reporting sales in Nassau and Niagara counties

In Nassau County and Niagara County, several cities require separate reporting, as sales affect how tax revenues are distributed.

For Nassau County, you must report sales in the city of Long Beach and sales outside Long Beach separately.

For Niagara County, you must:

- report sales in the city of Lockport, sales in the city of Niagara Falls, and sales outside these cities separately; and
- itemize the sales in the city of Lockport, sales in the city of Niagara Falls, and sales outside these cities for each type of service.

There are individual lines on Form ST-810.2 for each city and the remainder of the county where you are required to report sales separately.

#### Examples of taxable sales and services

Taxable *food and drink* include sales by:

- restaurants or taverns of any food and drink; and
- caterers, delis, hot dog stands, and supermarkets of heated food, sandwiches, or similar restaurant-type prepared foods.

Taxable *hotel or motel room occupancy* includes charges for occupancy of a room or rooms in a hotel, motel, or similar establishment. **Exception:** If the occupant is a permanent resident of the hotel, there is no sales tax on charges for their hotel occupancy. For sales tax (other than New York City's 4½% tax), a *permanent resident* is an occupant of a room or rooms in a hotel for at least 90 consecutive days.

Taxable *admissions, club dues, and cabaret charges* include admission charges for:

- athletic contests, shows, and entertainment events;
- social and athletic club dues; and
- cabarets and clubs.
