#### Introduction

The New York State Department of Taxation and Finance (Tax Department or NYSDTF) is pleased to offer e-file of personal income tax (PIT), fiduciary, and partnership returns. Most New York State (NYS) returns can be transmitted through the Federal/State e-file program. The information provided in this publication applies to all associated tax types (PIT, fiduciary, partnership) unless otherwise noted. This publication should be used in conjunction with IRS Publication 1345, Handbook for Authorized IRS efile Providers of Individual Income Tax Returns, and IRS Publication 4163, Modernized e-File (MeF) Information for Authorized IRS e-File Providers for Business Returns.

Electronic return originators (EROs) authorized by the Internal Revenue Service (IRS) to e-file federal personal income tax, fiduciary, and partnership returns are also authorized to e-file returns with NYSDTF. EROs are not required to submit a separate application for NYS e-file or provide copies of their IRS acceptance letters.

#### Requirements for tax preparers participating in the NYSDTF e-file program

Tax preparers must apply to and be accepted by the IRS as an authorized IRS e-file provider for tax returns and have an electronic filer identification number (EFIN) issued by the IRS. A separate e-file application is not required for NYS.

Note: Although NYS does not require preparers to submit an application for our e-file program, NYSDTF does require certain tax preparers to register and obtain a New York Tax Preparer Registration Identification Number (NYTPRIN). For more information, see *Tax preparer registration*.

For more information on the IRS application process, refer to Publication 3112, IRS e-file Application and Participation.

For more information on how to become an authorized IRS e-file provider and for online tools for tax professionals, visit the IRS website.

#### Regulations, standards, guidelines, and rules

Tax practitioners must conform to all IRS regulations, standards, guidelines, rules, and requirements.

#### Tax return preparer penalties

NYS Tax Law, Article 22, § 697(e) and Article 37, § 1825, prescribe penalties for violation of confidentiality of taxpayer information requirements. NYS Tax Law §§ 32 and 685 prescribe penalties for paid preparers who fail to meet their responsibilities. Tax preparers are subject to these penalties if they fail to do the following:

- Sign a NYS tax return or report refund anticipation loans or refund anticipation check documentation when required.
- Include their New York Tax Preparer Registration Identification Number (NYTPRIN) on any NYS tax return or report when required, or on refund anticipation loans or refund anticipation check documentation that requires the facilitator's signature.

There are also penalties for failure to adhere to the e-file mandate (see *E-file mandate penalties*).

#### All return filers (EROs) must:

- Use NYS approved software
  - For PIT: https://www.tax.ny.gov/pit/efile/homepc.htm
  - For fiduciary: https://www.tax.ny.gov/pit/efile/mef\_fiduciary\_approved\_software.htm
  - For partnership: https://www.tax.ny.gov/pit/efile/partnership\_approved\_software.htm
- Complete the following paid preparer information, if applicable:
  - Preparer's name
  - Firm's name (or preparer's name if self-employed)
  - \_ Address
  - Preparer's NYTPRIN or NYTPRIN exclusion code (as applicable)
  - Preparer's PTIN (or SSN if preparer does not have a PTIN)
  - Firm's EIN
  - Preparer's signature

Publication 93 (11/22) Page 3 of 29

- Fulfill the signature requirements by marking a box that indicates they have read and agreed to our declaration certification language (see Signature requirements for e-filed returns, estimated tax and extensions).
- Furnish the taxpayer with copies of all e-filed forms and schedules.
- If required, register with NYSDTF as a tax preparer. See *Tax preparer registration*.
- Rejected returns must be corrected and electronically resubmitted.
- Retain a complete copy of the return with all schedules and attachments, including wage and tax statements. The
  copy may be electronically imaged and stored.
- Not charge a customer an additional amount to e-file a NYS tax document.

#### Safeguarding data

All tax professionals should be aware that they are potential targets of cybercriminals seeking access to client data for fraudulent purposes, including to file fraudulent tax returns for refunds. NYS requires that tax professionals protect all data during collection and storage, including driver license information, that may be obtained in the preparation of taxpayer returns. Protect yourself and your clients by taking a few critical steps:

- Assess the risks to sensitive information in your office.
- Always use robust security software for all computers and devices, and routinely perform deep scans to identify any malware or virus infections.
- Require the use of strong passwords to access computers and client files.
- Learn to recognize and avoid phishing email schemes.
- Evaluate what data used in completing tax returns you need to retain for the future, retain only what's essential, and protect what you retain.
- Monitor, evaluate, and adjust your security measures as your business or circumstances change.

In addition, NYS strongly encourages you to review and implement the best practices outlined in IRS Publication 4557, Safeguarding Taxpayer Data. Also see Data Theft Information for Tax Professionals.

#### Filing deadlines

NYSDTF follows the IRS calendar for filing deadlines. For tax year 2022 returns\*:

- Personal income tax and calendar year 2022 fiduciary returns are due April 18, 2023.
- Partnership, limited liability company (LLC), and limited liability partnership (LLP) returns for calendar year 2022 are due March 15, 2023.
- Fiscal year or short year 2022 fiduciary returns are due on the 15<sup>th</sup> day of the fourth month following the close of the tax year.

Publication 93 (11/22) Page 5 of 29

• Fiscal year or short year 2022 partnership returns are due on the 15<sup>th</sup> day of the third month following the close of the tax year.

\*These dates do **not** reflect extended filing deadlines due to extensions or special conditions.

#### E-file mandate information

- The e-file mandate applies to tax preparers, business owners (partnerships, LLCs, and LLPs) and taxpayers.
- Clients of tax preparers cannot opt out of e-file.
- Returns for tax years 2022, 2021, and 2020 are mandated to be e-filed.
- Amended returns are mandated to be e-filed.
- Extensions must be e-filed either via software or through the NYSDTF website.

For more information on the e-file mandate, see *Who the tax preparer e-file mandate applies to*.

#### NYS does not accept federal extensions

NYSDTF does **not** accept federal Form 4868 or federal Form 7004 extensions in place of an NYS extension request using Form IT-370, *Application for Automatic Six-Month Extension of Time to File for Individuals*, or Form IT-370-PF, *Application for Automatic Extension of Time to File for Partnerships and Fiduciaries*.

You must file the correct NYS extension form. If you are subject to the e-file mandate, the extensions must be
filed electronically using your tax preparation software or on our website. See Apply for an extension of time to
file and income tax return.

#### Estimated income tax payments

Forms IT-2105, Estimated Tax Payment Voucher for Individuals, and IT-2106, Estimated Income Tax PaymentVoucher for Fiduciaries

- Using tax software, the taxpayer may submit up to 12 separate estimated tax payments during each tax year.
  These can be submitted concurrently or individually throughout the year. Form IT-2105 is filed for an individual regardless of the filing status for the primary return, and each is a distinct submission. If a submission is received with both spouse's information included, that submission will be rejected.
- When filing estimated taxes electronically, a filer must pay via ACH and must select the quarter for which the payment is being made. If filing before the due date of any quarter, the taxpayer may choose to have the funds withdrawn on any date prior to the due date of the selected quarter. If a taxpayer selects a payment date after the due date of the selected quarter, the payment will be drawn on the due date. If the taxpayer files after the due date of the selected quarter, the withdrawal will be processed on the date the e-file return is accepted. If a taxpayer attempts to submit a filing lacking a payment amount, or the total of the NYS, New York City (NYC), and Yonkers allocations does not match the payment amount, the filing will be rejected.
- Only calendar year filers may e-file estimated tax payments. Other filers must remit estimated payments using the
- appropriate form.
- Taxpayers will be able to self-cancel scheduled electronic payments. See *Cancelling scheduled electronic payments*.

#### **Exclusions from NYS e-file**

#### Returns meeting any of the following criteria may not be e-filed:

- Personal income tax returns filed for a tax period other than January 1, 2022, through December 31, 2022; or January 1, 2021, through December 31, 2021; or January 1, 2020, through December 31, 2020.
- Fiduciary or partnership returns for liability periods beginning before January 1, 2020 or after December 31, 2022. NYS accepts short year and fiscal year fiduciary and partnership filings.
- Fiduciary or partnership filings that include forms not accepted for e-file. See the lists of forms accepted for fiduciary e-file and partnership e-file.
- Fiduciary filings for bankruptcy estate cases.
- Returns requesting electronic funds withdrawal payment, or a direct deposit, where the funds would come from or go to an account outside the United States.

Page 6 of 29 Publication 93 (11/22)

#### How to enter foreign addresses

**Address** – With the exception of Canadian addresses, foreign ZIP (postal) codes should be entered at the end of the address field.

City - Enter city/town as applicable.

**State** – For Canadian addresses, enter two-character province abbreviation. For all other foreign addresses, the state **must** be blank.

**Country code** – enter appropriate foreign country code; NYSDTF uses the *IRS country codes*.

**ZIP code** and ZIP code extension – For Canadian addresses, enter the first three characters of the postal code in the ZIP code field, and characters four, five, and six in the ZIP code extension field. For all other foreign addresses, ZIP code and ZIP code extension **must** be blank.

#### **Payment information**

Taxpayers can pay the balance due on their return or make estimated tax payments using one of the following payment options:

#### Pay by electronic funds withdrawal (direct debit)

Payments may be made by an electronic funds withdrawal from a checking or savings account as long as the payment is **not** coming from an account outside the United States. At the time of filing, the following information **must** be provided on the return:

- the amount to be withdrawn;
- the bank account number;
- the bank routing number;
- the date of the withdrawal; and
- the type of the account either personal checking or savings; or business checking or savings.

Taxpayers can specify a payment date up to and including the due date of the return. If the payment date falls on a weekend or bank holiday, the payment will be withdrawn the next business day. If you e-file before the April due date, the money will not be withdrawn from the account before the date you specify, but the date specified cannot be after the return due date. For returns e-filed after the due date, the authorized withdrawal from the account will be processed on the date the e-filed return is accepted.

#### Cancelling scheduled electronic payments

Taxpayers may cancel a payment online with a scheduled payment date at least two (2) business days in the future by logging into their *Online Services* account. Select *View and cancel scheduled payments* from the menu.

**Note**: Payments for e-filed Forms IT-204-LL, *Partnership, Limited Liability Company, and Limited Liability Partnership Filing Fee Payment Form,* cannot be cancelled through Online Services accounts

The taxpayer can revoke an electronic payment by *calling* NYSDTF no later than two (2) business days before the date of the payment withdrawal.

Note: Unpaid returns will be accepted in e-file and the balance due will be billed at a later date.

#### Pay by credit card (personal income tax only)

Taxpayers can use Discover®/Novus®, MasterCard®, Visa® or American Express® Cards to pay their balance due. The credit card service provider will charge a convenience fee to cover the cost of this service. The fee will be disclosed before the transaction is completed. Taxpayers must have an *Online Services* account to make a payment by credit card.

For returns filed before the April due date, credit card payments can be made any time up to and including that

Publication 93 (11/22) Page 7 of 29

due date. For returns filed on or after the April due date, the credit card payment must be made at or about the time the return is filed.

The taxpayer should have a copy of their completed NYS income tax return available. Taxpayers will receive a confirmation number for successful credit card payments and should retain the confirmation numberas proof of payment.

#### Pay by check or money order (personal income tax and fiduciary income tax)

Payments may be made by check or money order. Payment must be accompanied by Form IT-201-V, Payment Voucher for Income Tax Returns or Form IT-205-V, Payment Voucher for Fiduciary Income Tax Returns. Taxpayers should follow the instructions for the appropriate form. When possible, Form IT-201-V or IT-205-V and payment should not be submitted until after receipt of the Tax Department's acceptance acknowledgment. However, these payments **must** be submitted on or before the due date to avoid penalty and interest charges. Do **not** include a copy of the return with Form IT-201-V.

Mail Form IT-201-V and payment to:

NYS PERSONAL INCOME TAX PROCESSING CENTER PO BOX 4124 **BINGHAMTON NY 13902-4124** 

Mail Form IT-205-V and payment to:

NYS FIDUCIARY INCOME TAX PROCESSING CENTER PO BOX 4145 **BINGHAMTON NY 13902-4145** 

Note: Payments for an e-filed Form IT-204-LL must be paid electronically by ACH debit. There is no credit card or voucher payment method for Form IT-204-LL. If the fee is not paid by the due date, we will issue an assessment (bill) for the balance, including penalty and interest.

If you are not using U.S. Mail, see Publication 55, Designated Private Delivery Services.

#### Paying a balance due on Form IT-370 or Form IT-370-PF

There are several payment options:

- For extensions filed using tax preparation software, payment must be made by electronic funds withdrawal from a checking or savings account.
- For extensions filed through the NYS Tax Department's website, there are three payment options:
  - Electronic funds withdrawal (which requires an Online Services account to act on the taxpayer's behalf)
  - Credit card (personal income tax only): See Pay by credit card on our website (taxpayers must have an Online Services account to make a payment by credit card)
  - Check or money order (Form IT-370-V, Payment Voucher and Instructions for Form IT-370 Filed Online, or Form IT-370-PF-V, Payment Voucher and Instructions for Form IT-370-PF Filed Online for Fiduciaries, will be generated if you select this payment option)

Mail Forms IT-370-V or IT-370-PF-V with payment to:

**EXTENSION REQUEST** PO BOX 4125 **BINGHAMTON NY 13902-4125** 

If you are not using U.S. Mail, see Publication 55, Designated Private Delivery Services.

#### Paying a balance due on an amended return

ACH payment data should reflect the additional payment due with the return. If the ACH data (routing number, account number, and payment amount) is exactly the same on the previous filing, the filing will reject.

**Publication 93** (11/22)

- How can I confirm that an electronic funds withdrawal payment was successful? Review the bank statement for the account against which the payment was authorized. The bank statement should include an entry described as NYSDTF Tax Payment. If you are aware that an electronic funds withdrawal was not successful, payment should be submitted as soon as possible. Replacement payments made after the due date may be subject to penalty and interest.
- Can I make a partial payment? Partial payments are allowed on personal income tax returns (Forms IT-201, IT-201-X, IT-203, and IT-203-X), fiduciary returns (Form IT-205, *Fiduciary Income Tax Return*) and partnership Form IT-204-LL. Partial payments are **not** allowed on estimated payments (Forms IT-2105 and IT-2106) or balance due extensions (Forms IT- 370and IT-370-PF).
- Can an authorized electronic payment be canceled? Yes. See Canceling scheduled electronic payments.

#### Special condition codes

You can only use up to two special condition codes for each e-filed return or extension. Qualifying for more than two special condition codes does **not** exempt a return from the e-file mandate. For information about special condition codes, see the instructions for Form IT-201, IT-203-X, IT-203-X, IT-204, *Partnership Return*, IT-205, IT-370, or IT-370-PF

Note: There are no allowable special condition codes for estimated payments, Form IT-204-LL, or partnership extensions.

Special condition codes can be used on the applicable forms, as shown below:

Personal income tax					Fiduciary		Partnership

	P3						

**Note**: Special condition codes K2, C7, D1, D2, D3, P2, A6, and 56 can be e-filed. The additional information requested with these special condition codes **must** be sent as a PDF attachment with your e-filed return.

#### State-only filings

If a federal return was not e-filed, the NYS return must be e-filed as a state only return.

#### Receipts and acknowledgement system

#### IRS e-file receipt

IRS e-file will create a *receipt* for transmitters (usually your software provider) for every state submission received. This receipt only indicates that the submission was received by the IRS and does not indicate that it has passed validation or

Publication 93 (11/22) Page 9 of 29

that the state return has been provided to the participating state. Transmitters are not required to provide *receipts* to their customers.

#### State submission denied by IRS e-file

If the state submission does **not** pass IRS validation it will be **denied** by the IRS. The IRS will create an *acknowledgement* for the transmitter indicating that the state submission is denied, and that the submission will not be provided to the state. In this case, NYSDTF will **not** know that the transmitter has sent a state submission to IRS e-file and will not know that the IRS denied it. These returns **must** be corrected and resubmitted. Your transmitter will notify you if you need to correct and resubmit a return that was denied by the IRS.

#### State receipt and acknowledgment

- NYSDTF will retrieve the state submission from IRS e-file and send a receipt via IRS e-file to the transmitter.
- NYSDTF will validate the submission. An acknowledgment (indicating accepted or rejected) will be sent back to the transmitter via IRS e-file.
- The transmitter will retrieve the acknowledgment and notify the filer that the return was accepted or rejected.
- An acknowledgement indicates the return and payment data (if applicable) have been received and have successfully completed the transmission validation process.
- An accepted acknowledgement does not indicate that an ACH debit authorized with the return filing was successfully processed.

#### Rejected returns

If a state return is rejected by NYSDTF, you **must** correct the errors and e-file the corrected return. Rejected returns will display up to 100 error codes at a time. These codes will indicate the errors to be corrected prior to resubmission. The corrected, resubmitted return should contain the **original** submission identification (ID) of the rejected return. The inclusion of the original submission ID is generally handled by your software.

#### Perfection period for a rejected submission (returns, estimated payments, and extensions)

There is a seven (7) calendar-day perfection period to correct the submission and refile it electronically. If the submission is rejected or denied on the IRS level, NYSDTF will not receive the original submission and the perfection period will not systematically initiate.

The e-file perfection period is initiated only when the:

- · original submission was timely;
- original submission was rejected by NYSDTF;
- original submission ID number is present on the resubmission;
- · resubmission is after the due date; and
- resubmission is within seven days of the original submission.

#### E-file reject codes

NYS E-file reject codes for TY2022 are available on our website: **For PIT**: https://www.tax.ny.gov/bus/efile/swd\_income.htm

For fiduciary: https://www.tax.ny.gov/bus/efile/swd-fiduciary.htm
For partnership: https://www.tax.ny.gov/pit/efile/swd-partnership.htm

#### Handling of attachments: attaching documents as PDF files

All non-XML attachments **must** be sent in PDF format. This includes federal required attachments for state filings, pages with additional information from forms, letters of explanation, certificates, and copies of federal returns or schedules that cannot be attached as XML, and so on. Your software will guide you on how to include PDF attachments with an e-filed return.

Do not password protect, encrypt, or in any way document protect PDF attachments submitted through e-file.

Page 10 of 29 Publication 93 (11/22)

#### **Liability periods**

#### Calendar-year filer

If the return is for the calendar year 20YY, the beginning and ending dates **must** be 01/01/20YY and 12/31/20YY, respectively. The liability period reported on your filing must not be greater than 12 months or the filing will reject.

#### Fiscal-year filer (fiduciary and partnership)

Fiduciary and partnership MeF accept fiscal-year filings. A fiscal year is a tax period of 12 consecutive months that does **not** end on the last day of December. The tax year of fiscal year filers is determined by the beginning date of the liability period. For example, a fiscal year of 11/1/2021 through 10/31/2022 is considered a tax year 2021 return and **must** be filed using 2021 software.

#### Short tax year (fiduciary and partnership)

A short tax year is a tax period of less than 12 months. Short period returns should be filed with the correct tax year software. Check with your software provider to confirm availability. The tax year for short period returns is determined by beginning date of the liability period. For example, a short tax year of 12/1/2021 through 5/31/2022 is a tax year 2021 filing. Short tax years of 1/1/2022 through 6/30/2022 or 12/1/2022 through 10/30/2023 are tax year 2022 filings.

#### Current year software is not available

In certain situations, a taxpayer may need to file a short tax year return before the software is ready. For example, in calendar year 2023 a taxpayer may need to file a short tax year TY2023 return with a tax period beginning date of 01/01/23 and an ending date of 05/31/23. This return is due by 8/15/2023. These returns can be e-filed using TY2022 software if the IRS is accepting returns during the **current year**.

**Note:** This is valid **only** until the IRS shut-down period for the calendar year. Once filing opens in the following year, the correct tax year software **must** be used, or the return will be **rejected**.

#### Single-day liability period (fiduciary and partnership)

In the event of a single-day liability period, enter the date of the single day as the *liability period beginning date*. For the liability period ending date, enter the **next** day's date. For example, if the single day was 2/1/2022, enter the beginning date as 2/1/2022 and the ending date as 2/2/2022. NYSDTF **will** reject returns where the liability period beginning and ending dates are the same.

#### 52-53 week filer (partnership only)

Taxpayers can elect to use a 52-53 week tax year if the taxpayer keeps their books and reports their income and expenses on that basis.

To file a 52-53 week return for tax year 2022, set the beginning and ending dates to 01/01/2022 and 12/31/2022, respectively. Attach a statement in PDF format with the following information:

1	The month	in which	the new 52	2-53 week tax	vear ends.

- ☐ The day of the week on which the tax year always ends.
  - The date the tax year ends on which the chosen day is either the:
    - last day that occurs in the month in the first bullet above, or
    - day that occurs nearest to the last day of the month in the first bullet above.

#### Notes:

- Form IT-195 is used to provide account information for direct deposit of all or part of a refund into as many as three NYS 529 college savings accounts.
- NYS supports **both** federal Forms 1099-MISC and 1099-G for electronic filing, even though the IRS does not. If New York taxes were withheld on the income reported on these forms, then you **must** key the data from those forms into your software, so it is included in the electronic return data when the New York return is e-filed.
- If you attempt to file federal Form 1099-G with a NYS tax return for income other than that from the NYS Department of Labor, the return filing will be **rejected**.

Publication 93 (11/22) Page 15 of 29

• If the taxpayer is **not** required to file Form IT-201, IT-201-X, IT-203, or IT-203-X, then Form NYC-210, **must** be filed as a standalone form. If the taxpayer is required to file Form IT-201 or IT-201-X, they may claim the credit on their return. However, they do **not** include Form NYC-210 with Form IT-201 or IT-201-X.

• Form IT-214 can either be e-filed as a standalone form or e-filed with Form IT-201 or IT-201-X.

#### Taxpayer's driver license or non-driver ID information is required

NYS **requires** you to include your client's driver license or non-driver ID information on their return. This applies to both the primary taxpayer and their spouse (if applicable). The information must be entered each tax year as NYS does **not** allow the retention of driver license information by tax preparation software.

The following information needs to be provided from either the prime taxpayer's, their spouse's, or both, driver license or non-driver ID:

- the driver license or non-driver ID number;
- the issuing state;
- the issue date;
- the expiration date; and
- NYS-issued licenses and non-driver IDs only—the first three characters of the document number.

This requirement applies to driver licenses or non-driver IDs from any state.

If your client(s) does not have a driver license or non-driver ID (or are deceased), you can indicate that within the software to fulfill this requirement.

#### IDs and documents

#### What we accept

We accept information from your client's most **recent** driver license or non-driver ID. The ID can be active **or** expired. If your client's ID is expiring, we will not reject the return.

#### How to locate ID and document numbers

The document numbers for New York State driver licenses and non-driver IDs consist of either 8 or 10 alphanumeric characters (we only require the first three characters).

To view the standard placement of document numbers on New York State-issued licenses and IDs see *Sample New York State DMV Photo Documents* on the NYS Department of Motor Vehicles website.

#### Why we want this information

We will use the driver license and non-driver ID information as verification to protect taxpayers from fraud and identity theft.

#### **Extensions**

If you do not have your client's information at the time of filing, you may check the *Did not provide ID* box on the extension. **However**, when you subsequently e-file the return, you **must** include driver license or non-driver ID information.

#### Compliance

NYS requires you to obtain this information from your clients.

#### If your client will not disclose their ID information

If your client refuses to provide their information, you may check the box to indicate your client does not have an ID. If your client refuses to provide their information, you must keep documentation to prove you used due diligence to obtain the information and your client refused.

#### If you do not include your client's ID information

We use their ID information to validate their identity; if we cannot validate your client, their refund may be delayed.

#### If your client has an out-of-state ID

As long as your client is providing a valid out-of-state ID they should not experience a processing delay.

#### Driver license or state identification reject codes:

- R1117 Missing or incomplete spouse driver license or state ID info on married filed jointly (MFJ) return
- R1118 Missing primary NYS document number
- R1119 Missing spouse NYS document number
- R1120 Primary NYS driver license or state ID number formatted incorrectly
- R1121 Spouse NYS Driver license or state ID number formatted incorrectly
- R1122 Prime must provide driver license state ID information
- R1123 Spouse must provide driver license or state ID information

#### Special condition code C2

This special condition code is valid for Forms IT-201, IT-201-X, IT-203, and IT-203-X. It should only be used within the software if the user cannot pay their balance in full with the return. Including code C2 **will not** automatically set up an installment payment agreement (IPA). It will enable the taxpayer to receive a bill sooner with instructions on how to set up an IPA.

#### Addresses

The taxpayer's home address is required. If the taxpayer's mailing address is a PO Box, the home address **must** also be entered. If the taxpayer moved after December 31, 2022, enter the new home address in the mailing address and the 2022 address as the permanent address.

#### Signature requirements

#### Signature requirements for tax returns e-filed through your tax preparation professional software package

The taxpayers and the ERO/preparer must sign Form TR-579-IT, *New York State E-File Signature Authorization for Tax Year 2022.* Form TR-579-IT establishes that the taxpayer has reviewed their return, and authorizes the e-filing of the return, and if an electronic funds withdrawal (for payment of the amount owed on the return) has been requested, it verifies that the taxpayer has authorized the electronic funds withdrawal. The taxpayer may fax or email a copy of their TR-579-IT to the ERO/Preparer. The ERO/preparer **must** retain the signed Form TR-579-IT for three years and **not** mail it to the NYS TaxDepartment. The ERO/preparer must also sign the return electronically by checking a box that indicates that they have read and agreed to our declaration certification language.

The language below is required by NYS to be displayed in your software. It is provided in this publication for information only. You **must** check the certification in your software prior to filing any returns.

**ERO/Preparer certification and signature** (for Forms IT-201, IT-201-X, IT-203, IT-203-X, IT-214, and NYC-210)

By marking an **X** in the box below, I certify that I have a valid Form TR-579-IT authorizing me to sign and file this return on behalf of the taxpayer(s). I further certify that all information provided on the return is true, correct, and complete; to the best of my knowledge and belief, and that I have provided a copy of this return to the taxpayer(s). If financial institution account information has been provided on the return, I certify that the taxpayer(s) has agreed to payment of the amount indicated as due by electronic funds withdrawal, that the taxpayer(s) has authorized theNew York State Tax Department and its designated financial agents to initiate an electronic funds withdrawal from the indicated account, and that the designated financial institution is authorized to debit the entry to the taxpayer's account.

By marking the box shown below, I understand and agree that I am electronically signing and filing this return.

Signature requirements for Form IT-370 e-filed through your tax preparation professional software package If no balance is due there is not a signature requirement for the taxpayer or the ERO/preparer. You are not required to complete or retain a Form TR-579.1-IT, New York State Taxpayer Authorization for Electronic Funds Withdrawal for Tax Year 2022 Form IT-370 and Tax Year 2023 Form IT-2105, for no balance due extensions.

If there is a balance due, the taxpayer **must** pay the balance due through an electronic funds withdrawal. The primary taxpayer **must** sign Form TR-579.1-IT, to establish that they have authorized the ERO/preparer to include the information necessary for the Tax Department to initiate the electronic funds withdrawal. The taxpayer may fax or email a copy of their TR-579.1-IT to the ERO/Preparer. The ERO/preparer is not required to sign Form TR-579.1-IT for these extensions; however, the ERO/preparer **must** retain Form TR-579.1-IT for three years and **not** mail it to the NYS Tax Department. The ERO/preparer must also sign the extension electronically by checking a box that indicates that they have read and agreed to the following declaration certification language for extensions:

By checking the box below, I certify that I have a valid Form TR-579.1-IT authorizing me to submit this extension on behalf of the taxpayer(s). I certify that the taxpayer(s) has agreed to payment of the amount indicated asdue by electronic funds withdrawal, that the taxpayer(s) has authorized the New York State Tax Department and its designated financial agents to initiate an electronic funds withdrawal from the indicated account, and that the designated financial institution is authorized to debit the entry to the taxpayer's account.

Signature requirements for Form IT-2105 e-filed through tax preparation professional software package
The taxpayer must send the payment through an electronic funds withdrawal. The primary taxpayer must sign
Form TR- 579.1-IT, to establish that they have authorized the ERO to include the information necessary for the Tax
Department to initiate the withdrawal. The taxpayer may fax or email a copy of their TR-579.1-IT to the ERO/Preparer

The ERO is **not** required to sign Form TR-579.1-IT for these payments; however, the ERO **must** retain it for three years and **not** mail it to the NYS Tax Department. The ERO **must also** sign the payment by checking a box that indicates that they have read and agreed to our declaration certification language.

## ERO Certification and Signature (for the authorization of electronic payment for an estimated tax payment)

#### Form IT-370 e-filed on the Tax Department's website

The Tax Department offers an application on our website that supports electronic filing by tax preparers or self-filers of balance due and no balance due extension requests.

Tax preparers subject to the mandate can use either their tax preparation software or the extension application on the Tax Department's website to satisfy the electronic filing mandate for extensions.

For balance-due extensions filed directly on our website, the following payment methods are available:

- electronic funds ACH withdrawal from a checking or savings account
- credit card (taxpayers must have an Online Services account to make a payment by credit card or ACH withdrawal)
- check or money order submitted with Form IT-370-V

Publication 93 (11/22) Page 19 of 29

If you submit a balance due extension on our website and indicate payment with a check, you will be provided with Form IT-370-V to mail in with the payment.

#### Frequently asked questions about refunds

#### 1. Can the state refund be deposited into a different account than the federal refund?

Yes, the state refund can be deposited into a different account than the federal refund.

#### 2. Can a refund be deposited into more than one account?

Personal income tax refunds may be deposited into a single checking or savings account and up to three NYS 529 College Savings accounts.

#### 3. What happens if a bank account is closed before the direct deposit is made?

If we cannot complete the direct deposit, or the bank returns the transaction to us, we will mail a paper refund check.

#### 4. How many refunds may be deposited into the same account?

Up to three refunds can be deposited into the same account each calendar year.

#### 5. How can my client find out when they will receive their refund?

They can check the *status of a refund* on our website, or use our automated telephone inquiry number listed under *Contact Us* on our website. In addition, *Online services for individuals* allows your client to create an account and opt in to receive electronic notifications, including refund notification.

#### Direct deposit into NYS 529 college savings accounts

NYS 529 direct deposits can be made regardless of the refund option chosen on Form IT-201 or IT-203. The NYS 529 will always be a direct deposit.

#### Common e-file errors

The following errors will result in the rejection of a return:

- Amount of wages, tips and other compensation reported on return was less than the amount reported on wage and tax statements (federal Forms W-2, 1099-G, and 1099-R, and so on).
- Amount of NYS withholding reported on return was not equal to the amount reported on the wage and tax statements.
- Failure to enter **NY** on federal Form W-2, box 15.
- Amount of New York City withholdings or Yonkers withholdings, or both, reported on return was not equal to amount reported on wage and tax statements.
- Failure to use a correct code for New York City or Yonkers for federal Form W-2, box 20 (see below).
- Claiming a credit when the credit form is not present.

#### Specific codes for locality name for New York City and Yonkers tax

#### W-2 verification indicator

If a return is rejected for Error Code **R0502** or **R0503**, commonly caused by user input error, users should check their federal Form W-2s and correct the input error. If the user does not find any input errors, they should call the *NYSDTF e-file Help Desk*; they will be instructed to enter a particular value for this indicator and re-transmit the return. This will resolve the reject. For descriptions of these error codes, see *Income Tax e-file: Forms and publications*.

#### Entries on federal Form W-2, box 14, for NYS returns

Preparers should enter verbatim, the description of any entries included on the employee's state and local copy of their federal Form W-2. Amounts for these entries must be rounded to the nearest dollar. Public employee retirement contributions, usually shown on a paper federal Form W-2 box 14, as 414(h), Pub Ret, NYS Ret Cont, etc. (for example, 414(h) 750.00) may be subject to NYS tax even though they are not subject to federal tax. All NYS public employee retirement contributions, except Long Island Railroad and Staten Island Railroad, are subject to NYS tax. Public employee retirement contributions from other states are not subject to NYS tax. Refer to the form instructions for details.

Similarly, NYC flexible benefits program amounts (IRC 125), usually shown on a paper federal Form W-2 in box 14 as *IRC* 125, *IR* 125, 125M, etc. (for example, *IRC* 125 300.00) are subject to NYS tax even though they are not subject to federal tax.

These two amounts, if subject to NYS tax, **must** be added to the appropriate lines on Forms IT-201, IT-201-X, IT-203, or IT-203-X. You **must** add these amounts to the return if your software does not. For details, refer to the form instructions.

### Information specific to fiduciary income tax

#### Forms accepted for New York State e-file

The following tax forms are supported by NYSDTF fiduciary MeF. An e-filed return **must** include all the required tax forms in the submission. Forms IT-205, IT-370-PF, and IT-2106 are considered *main* forms; each submission **must** have one and only one main form, with applicable supporting forms. Newly accepted e-file forms for tax year 2022 are marked with an asterisk\*.

#### Officer name required

The fiduciary signing the return **must** provide their name as part of measures to reduce fraud. Returns missing this information will be **rejected**.

#### Signature requirements for fiduciary income tax

#### Signature requirements for returns e-filed by an ERO on behalf of a fiduciary

The fiduciary and the ERO **must** sign Form TR-579.2-IT, *New York State E-File Signature Authorization for Tax Year 2022 for Form IT-205.* Form TR-579.2-IT establishes that the fiduciary has reviewed their return, authorizes the e-filing of the return, and if an electronic funds withdrawal (for payment of the amount owed on the return) has been requested, it verifies that the fiduciary has authorized the electronic funds withdrawal. The fiduciary may fax or email a copy of their TR-579.2-IT to the ERO/Preparer. The ERO **must** retain the signed Form TR-579.2-IT for three years and**not** mail it to the NYS Tax Department. The ERO **must** also sign the return electronically by checking a box that indicates that they have read and agreed to our declaration certification language (see the return declaration).

The language below is required by NYS to be displayed in your software. It is provided in this publication for information only. You must check the certification in your software prior to filing any returns.

# Declaration of tax preparer to be included on approved NYSDTF e-file products for tax professionals ERO Certification and Signature (for the return)

I certify that I have a valid Form TR-579.2-IT, authorizing me to sign and file this return on behalf of the fiduciary(s). I further certify that all information provided on the return is true, correct and complete; to the best of my knowledge and belief, and that I have provided a copy of this returnto the fiduciary(s). If financial institution account information has been provided on the return, I certify that the account holder has agreed to payment of the amount indicated as due by electronic funds withdrawal, that the fiduciary(s) has authorized the New York State Tax Department and its designated financial agents to initiate an electronic funds withdrawal from the indicated account, and that the designated financial institution is authorized to debit the entry to the fiduciary's account. I understand and agree that I may revoke this authorization for payment only by contacting the Tax Department no later than two (2) business days prior to the payment date. By checking the box shown below, I understand and agree that I am electronically signing and filing this return.

L	I have read the certification above and a	agree

#### Signature requirements for Forms IT-370-PF and IT-2106 by an ERO on behalf of a fiduciary

For a no-balance-due Form IT-370-PF there is no signature requirement for the fiduciary or the ERO. You are not required to complete or retain a Form TR-579.3-IT, *New York State Fiduciary Authorization for Electronic Funds Withdrawal for Tax Year 2022 Form IT-370-PF and Tax Year 2023 Form IT-2106*, for these transactions.

For a balance-due Form IT-370-PF or Form IT-2106 e-filed through your software (not through the NYSDTF website), the fiduciary **must** pay the balance due with an electronic funds withdrawal. The fiduciary must sign Form TR-579.3-IT to establish that they have authorized the ERO to include the information necessary for the Tax Department to initiate the withdrawal. The fiduciary may fax or email a copy of their TR-579.3-IT to the ERO/Preparer. The ERO is not required to sign Form TR-579.2-IT or TR-579.3-IT for these extensions; however, the ERO **must** retain Form TR-579.3-IT for three years and **not** mail it to the NYS Tax Department. The ERO **must** also sign the extension electronically by checking a box that indicates that they have read and agreed to our declaration certification language (see the extension declaration).

#### General partner name required

The general partner signing the return **must** provide their name as part of measures to reduce fraud. Returnsmissing this information will be **rejected**.

**Publication 93** (11/22) Page **27** of 29

#### Signature requirements for partnership e-file returns

The ERO **must** have a completed and signed Form TR-579-PT, *New York State e-File Signature Authorization for Tax Year 2022 for Forms IT-204 and IT-204-LL*. Form TR-579-PT establishes that the general partner has reviewed their return, authorizes the e-filing of the return, and if an electronic funds withdrawal has been requested it verifies that the general partner has authorized the electronic funds withdrawal. The general partner may fax or email a copy of their Form TR-579-PT to the ERO/Preparer. The ERO **must** retain the signed Form TR-579-PT for three years and **not** mail it to the NYS TaxDepartment.

In addition, your software should display a screen with the certification language and check box; e-filed returns are signed by checking the box that indicates the parties have read and agree to the declaration certification language on Form TR- 579-PT.

The language below is required by NYS to be displayed in your software. It is provided in this publication for information only. You must check the certification in your software prior to filing any returns.

#### **ERO/Preparer Certification and Signature**

I certify that I have a valid Form TR-579-PT, authorizingme to sign and file this return on behalf of the partnership, LLP, or LLC (hereafter, collectively, *partnership*).

I further certify that all information provided on the return is true, correct and complete to the best of my knowledge and belief, and that I have provided a copy of this return to the partnership. If financial institution account information has been provided on the return, I certify that the partnership has agreed to payment of the amount indicated as due by electronic funds withdrawal, that the partnership has authorized the New York State Tax Department and its designated financial agents to initiate an electronic funds withdrawal from the indicated account, and that the designated financial institution is authorized to debit the entry to the partnership's account. I understand and agree that I may revoke this authorization for payment only by contacting the Tax Department no later than two (2) business days prior to the payment date. By checking the box shown below, I understand and agree that I am electronically signing and filing this return.

I have read the certification above and agree

#### Form IT-204-LL payment

The balance due on an electronically filed Form IT-204-LL **must** be paid electronically with an ACH debit. Your e-file software should guide you through this process. There is no paper payment voucher for an e-filed Form IT-204-LL.

#### Foreign partners without SSN/EIN or partner in a foreign partnership

NYSDTF accepts foreign partners (on Forms IT-204-CP and IT-204-IP) without an EIN or /SSN. IRS efile may require foreign or applied for in the SSN or EIN fields in these situations for federal Form 1065.

For NYS returns leave these partner's SSN or EINblank, otherwise they will be rejected.

- Form IT-204 CP If the partner does not have an EIN leave the Partner's EIN field blank
- Form IT-204-IP If the partner does not have an SSN leave the Partner's identifying number field blank
