

Cash That Counts!

The earned income tax credit (EITC) is help for working families.

It's cash that counts – hundreds or even thousands of dollars for your family needs - rent, repairs, bills, or saving for a rainy day.

To qualify for the EITC, working families must earn less than \$52,427 for the tax year.

Get the details at www.tax.ny.gov/eitc or by calling the Tax Department's Personal Income Tax Information Center at (518) 457-5181.
