

## Quarterly Schedule U

Use this form to report only transactions for the period  
**September 1, 1989 — November 30, 1989**

**This form is to be used to report sales and use tax on the following transactions only.**

Machinery parts, tools and supplies used or consumed in production are subject to the local sales and use tax within the City of New York. These items are exempt from local sales and use taxes outside the City of New York. These items are also exempt from the statewide sales and use taxes.

Report on the New York City line of this form the sale of qualifying parts, tools and supplies or the purchases of these items which are subject to use tax.

The services of installing, repairing, maintaining or servicing production machinery, equipment, apparatus, parts, tools and supplies are subject to all local sales and use taxes. These services are exempt from the statewide sales and use taxes. Report on the appropriate line of this form the taxable sales of these services, or the purchases of these services which are subject to use tax.

Schedule U should be used to report the following taxable sales, or purchases subject to use tax:

(a) Machinery parts with a useful life of one year or less, tools and supplies used directly and predominantly in production within New York City only. (For machinery parts with a useful life of more than one year, see *ST-100-I* for instructions on how to complete Column (c) of Form *ST-100*.)

(b) Parts with a useful life of one year or less, tools and supplies used in or on telephone central office equipment or station apparatus or comparable telegraph equipment used directly and predominantly in receiving at destination or initiating and switching telephone or telegraph communication within New York City only. (For parts with a useful life of more than one year, see *ST-100-I* for instructions on how to complete Column (c) of Form *ST-100*.)

(c) The services of installing, repairing, maintaining or servicing:

1. Machinery and equipment used directly and predominantly in production
2. Telephone and telegraph central office equipment and station apparatus used directly and predominantly in receiving at destination or initiating and switching telephone or telegraph communication
3. Parts, tools and supplies used in connection with this machinery, equipment and apparatus.

### Specific Instructions

#### Tax rate - Column (b)

The rates shown in Column (b) are the local tax rates which apply in the jurisdictions listed in Column (a).

#### Taxable sales and services - Column (c)

Report on the appropriate line(s) receipts from taxable sales and services in the taxing jurisdiction(s) listed in Column (a).

Enter the total amount reported on both sides of this page in the "Total" line and include this total in the amount reported in Box B on Page 1 of Form *ST-100*.

#### Purchases subject to use tax - Column (d)

Report on the New York City line purchases of qualifying parts, tools, supplies and services which are taxable but upon which no tax has been paid.

Enter the total amount reported on both sides of this page in the "Total" line and include this total in Box C on Page 1 of Form *ST-100*.

#### Sales and use taxes - Column (e)

Compute the tax by multiplying the amounts in columns (c) and (d) by the local tax rate in column (b).

Enter the sum of the amounts reported on both sides of this page on the "Total" line.

Include the total sales and use tax reported on this schedule in the amount reported on line 1, Page 1 of Form *ST-100*.

#### Credits

Credits which can be identified by locality should be taken on the appropriate line on this form. Credits taken on this form should be included in the total amount entered in Box D on Page 1 of Form *ST-100*.

Net credits (negative amounts) should be shown in parentheses.
