## Instructions for Annual Schedule A

Schedule A should be completed by:

1. vendors and operators of hotels, motels, taverns and other establishments within Nassau County who are required to collect tax on all or any of the following: hotel room occupancy, food and drink;
2. vendors or operators of restaurants, taverns or other establishments required to collect tax on sales of food and drink within Chenango County; and
3. recipients of amusement charges, club dues and cabaret charges within Westchester County.

A vendor who must file Schedule A must also complete Form ST-101, reporting other taxable receipts on page 2, Form ST-101. Instructions that apply to the preparation of Form ST-101 also relate to the preparation of Schedule A.

**Note:** *Other establishments required to collect tax on sales of food and drink include various types of vendors, including supermarkets, delicatessens, etc., which sell heated foods for off premises consumption. This includes: barbequed chicken, hot chowder, hot soup and other similar items.*

**Part I:** a hotel, restaurant or tavern operator in Nassau County (whether within or outside the city of Long Beach) must report taxable receipts from hotel occupancies and/or restaurant sales, including sales of alcoholic beverages, on the Long Beach (city) or Nassau County (outside Long Beach) line of this schedule. The taxable receipts such as those from the candy and cigarette counter sales are reported on the Nassau County line on page 2, Form ST-101.

**Part II:** For the period June 1, 1989 - February 28, 1990, the city of Norwich did not impose a general sales tax, but did impose a tax on food and drink sold by restaurants, taverns or other establishments within the city. Therefore, all Chenango County vendors who had receipts from sales of such food and drink during this period must report these receipts on this schedule.

Receipts from sales of food and drink within the city of Norwich will continue to be taxable on and after March 1, 1990, but sales made on and after this date in the city of Norwich and in the remainder of Chenango county must be reported on the appropriate line on page 2 of Form ST-101.

**Part III:** The city of Rye does not impose a general sales tax, but does impose a tax on admissions, club dues and cabaret charges. Therefore, all Westchester County vendors who have receipts from such sales must report them on this schedule so that the revenue due may be properly distributed to Westchester County and the cities of Mount Vernon, New Rochelle, Rye, White Plains and Yonkers.

A vendor having receipts from admissions, club dues or cabaret charges would collect the 8¼% combined tax in Mount Vernon and Yonkers and the 7¼% combined tax in the cities of New Rochelle, Rye and White Plains. The 5¾% combined tax would be collected on such charges in the remainder of Westchester County. The remainder of taxable receipts is reported on the appropriate line on page 2, Form ST-101.
