Line-by-line instructions

Line 1 - **Amount of New Jersey Sales and Use Tax due.** Enter the total New Jersey tax due for the month.

Line 2 - **New Jersey late filing charge.** Enter any penalty and interest due. Any vendor who fails to file a Schedule NJ and/or pay the tax due by the due date will be subject to penalty and interest charges as specified under the New Jersey Sales Tax Law.

Penalty charges:

1. A late filing penalty will be assessed at the rate of 5% per month or fraction thereof of the total tax liability, not to exceed 25% of such tax liability plus \$100 for each month or fraction thereof that such return is delinquent.
2. A late payment penalty will be assessed at the rate of 5% of the balance of tax paid late.

Interest charges:

The rate of interest charged will be 5% above the average predominant prime rate compounded daily on the unpaid balance of the tax, penalty, and interest from the date the tax was originally due to the date of actual payment. The average predominant prime rate is the rate as determined by the Board of Governors of the Federal Reserve System and quoted by commercial banks to large businesses on the first business day of the calendar quarter within which the payment was due.

Line 3 - **Total New Jersey amount due** - Add line 1 and line 2. This is the amount you must pay in addition to the amount due for New York State shown on line 5 of Form ST-809. Send one check or money order payable to "New York State Sales Tax" for the total amount due.

Do Not Transfer the New Jersey Amount Due to Form ST-809.

Overpayments

If the total New Jersey tax you have paid is greater than the amount you owe, you may **not** subtract the overpayment from the New York State tax due. Under no circumstances may you offset an overpayment to one state against the tax due the other.
