### Vendor Collection Credit

The Tax Law provides vendors with compensation, in the form of a credit, for the collection of state sales tax from their customers. You must apply this credit against the state tax collected, and may take the credit only if you file the return and pay the tax timely. Monthly and quarterly filers may take the credit quarterly on their quarterly returns; annual filers once a year on their annual returns. No refund, carryforward or carryback of vendor collection credit, will be allowed. A vendor collection credit for the current quarter cannot be applied against a tax liability for any previous or subsequent quarter.

You cannot take credit against any use tax paid or for any local tax collected. That is, you may only apply the credit against the sales tax, and only against the New York State portion. **The credit is limited to a maximum of \$100** per quarterly or annual period for which you are required to file sales tax returns. To compute the credit, multiply the 4% (.04) New York State sales tax collected by 1½% (.015). Vendors filing schedules must follow the instructions listed below this example.

The example listed below is for vendors who file Form ST-810, *New York State and Local Sales and Use Tax Return - Quarterly for Part-Quarterly Filers*.

**Example:** Using a NY State and local combined sales tax rate of 7% (3% local tax rate and 4% state tax rate) for vendors filing the Form ST-810:

Taxable sales subject to state and local sales taxes .....		\$300,000	
Sales Tax Rate of 7% (.07) .....	×	.07	
Total sales tax due .....		\$21,000	
$\$300,000 \times 4\%$ (NY State tax portion) = \$12,000			
$\times 1\frac{1}{2}\%$ (.015) (credit due) = <b>\$180</b>			
<b>Maximum credit allowed</b> .....	—	<b>\$100</b>	(Vendor collection credit)
Net amount due (any Special Taxes due must be added to show total amount due) .....		\$20,900	

### Vendors Filing Schedules

Since the vendor collection credit can only be taken on the New York State portion of the sales tax collected, vendors filing schedules must make adjustments before computing their tax credit. Compute from the schedules the amount of taxable receipts subject to **NY State sales tax** (see worksheet below). When completed, transfer the amount to Form ST-810.

Schedules NJ and CT do not include any sales subject to NY State sales tax and Schedule U is used to report only local (New York) sales tax. Therefore, no vendor credits can be computed for these schedules. No credits can be taken for Schedule N-ATT or Schedule P. These credits are taken on Schedule N and Form ST-810 respectively.

If you file any of the following schedules, you may include the receipts indicated when computing your vendor credit.

- Schedule A: Totals of Parts I and II.
- Schedule B: Total of Part I. (Receipts from Parts II, III and IV **cannot** be included.)
- Schedule N: Totals of Part I, plus the services subject to both NY State and local sales tax in Part II, plus the first 90 days of hotel occupancy reported in Part III. To determine the amount to include from Part II, deduct the taxable receipts for the New York City credit rating and reporting services and New York City miscellaneous personal services from the total taxable receipts reported in Part II, column (c).
- Schedule FR: Total of all taxable sales only. **Do not** include purchases that are subject to use tax in your total. They cannot be included in your computation of credit. To determine the amount to include from Schedule FR, deduct the taxable self-use included in columns (c) and (d) from the totals reported on line A for columns (c) and (d). Transfer this adjusted total (both columns) to line 5 of the worksheet.

Complete the worksheet below to determine the total receipts eligible for the vendor credit.

### Worksheet

Add the totals as follows:

1. Total taxable sales from Part II, page 3, column (c), less any taxable sales reported on the *New York City - local tax only* line .....
  2. Schedule A - Totals of Parts I and II, column (c) .....
  3. Schedule B - Total of Part I, column (c) .....
  4. Schedule N - Total of Part I, column (c) and adjusted totals for Parts II and III, column (c) .....
  5. Schedule FR - Total taxable sales from line A, columns (c) and (d) .....
- Total of lines 1 through 5 (Taxable Sales and Services)\* .....

\* Transfer this total to the *Taxable Sales and Services* line in the *Vendor Collection Credit* box (page 3, Part II, line D of your return). Multiply this amount by the 4% (.04) *State Tax Rate* to determine your *State Tax Liability*. Multiply the result by the *Vendor Collection Credit Rate* of 1½% (.015) to determine your credit. The maximum credit allowed is \$100 per quarter. Therefore, if the credit computes to more than \$100, enter \$100 on line D, column (e). If the credit computes to less than \$100, enter the computed credit on line D.
