## Group Return for Nonresident Partners

**IT-203-GR-I**

### General Information

A partnership, including a limited liability partnership, limited liability investment company, limited liability trust company, or limited liability company that is treated as a partnership for federal income tax purposes, that has any income derived from or connected with New York sources, may be granted approval to file a *Group Return for Nonresident Partners*. A *Group Return for Nonresident Partners* may be filed only if the partnership has 11 or more qualified nonresident partners or members (see page 2 of these instructions) who elect to file on a group return for each year. Hereafter, partners and members will be collectively referred to as partners. All qualified partners who elect to participate in the group return must have the same accounting period.

A group return is considered a group of individual returns that meet the New York State, New York City, and Yonkers tax return filing requirements. Accordingly, if a qualified partner elects to participate in the group return, the partner is not required to file an individual New York State, New York City, or Yonkers personal income tax return or nonresident earnings tax return for the year.

### Approval to File a Group Return

A partnership that wishes to file a group return must request permission to do so by submitting an application on Form PR-99, *Application for Permission to File a Group Return*. Form PR-99 must be submitted to: **Registration and Data Services Bureau, New York State Department of Taxation and Finance, Building 8, Room 431, W A Harriman Campus, Albany NY 12227**. You must file Form PR-99 no later than the 30th day following the close of the initial tax year for which you are requesting to file a group return.

### Private Delivery Services

The date recorded or marked by certain private delivery services, as designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance, will be treated as a postmark, and that date will be considered to be the date of delivery in determining whether your return or application was filed on time. (Designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need Help?* on page 4 of these instructions for information on ordering forms and publications.)

After receipt of a properly completed Form PR-99, the Tax Department will determine whether permission will be granted and will notify the partnership accordingly. If approval is granted, the partnership will be issued a special New York State identification number to be used only for filing the group return. The Tax Department's approval to file on a group basis is contingent upon the receipt of the final group return, and is subject to revocation upon audit. An approval to file on a group basis will remain in effect unless it is revoked. Annual approval is not required (however, see **Reinstatement** below). However, the partnership must maintain at least 11 participating partners in order to continue filing on a group basis.

**Note: You must obtain prior approval to file a group return. If you file a group return without prior approval, the return will be rejected and the participating partners could be subject to late filing or late payment penalties.**

The approval to file a group return will not be retroactively revoked after the return has been filed simply because the partnership fails to maintain 11 qualified electing partners. For example, if a partnership filed a group return for 13 qualified

electing nonresident partners for tax year 1998, and it is subsequently determined that three of the partners did not qualify to be included on the group return, the approval to file the group return for 1998 will not be revoked. However, approval to continue filing any further group returns for future years will be revoked unless the partnership has 11 or more qualified electing partners for those years.

**Reinstatement:** If a partnership that has received approval to file on a group basis decides not to file a group return for a particular tax year, it must notify the Tax Department of its decision in writing at the previously stated address. The notice must show the name and address of the partnership and the special New York identification number. In addition, if the partnership wishes to file a group return for a subsequent year, it must request reinstatement of its approval to file a group return. A request for reinstatement must be submitted on Form PR-99. Form PR-99 must be submitted no later than the 30th day following the close of the first tax year for which reinstatement is requested.

### Group Agent and Powers of Attorney

A partnership that requests approval to file a group return must appoint one partner as the *group agent*. The group agent must have legal authority to act as an agent in matters relating to the group return, for all partners participating in the return. The group agent is required to sign the group return, and any communications from the Tax Department will be sent to the group agent. Any notices required by law, such as notices of deficiency and notice and demands, will be sent to the group agent as well as to the individual partner involved. In addition, the group agent will be personally liable for only those penalties relating to making or signing an erroneous, false, or fraudulent return, but only if the agent was actually responsible for the error, etc.

If the partnership changes its group agent, it must notify the Tax Department immediately at the address shown above. In addition, if the partnership is required to submit powers of attorney as described below, the notice must be accompanied by new powers of attorney for all participating partners.

The following rules apply to the submission of powers of attorney. Unless the partnership is exempt (see *Exemption* on page 2), Form PR-99 must be accompanied by an individual power of attorney (however, see *Note* below) for each qualified nonresident partner who the group agent knows, at the time of application, will be participating in the group return. The power of attorney must authorize the group agent to represent the participating partner in the filing of the group return. If, after the application date, an additional partner elects to participate in the group return (or subsequent year's group return), a power of attorney for that partner must be attached to the first group return on which the partner is included. If a partnership requests reinstatement of approval to file a group return (see **Reinstatement** above), the partnership must also resubmit powers of attorney as previously described.

**Note:** Other evidence that establishes the group agent's authority to act as an agent in making, executing, and filing the group return for the qualified electing nonresident partners, if acceptable to the Tax Department, may be submitted in lieu of individual powers of attorney. If you wish to submit other evidence, attach a statement to Form PR-99 describing the evidence you wish to submit. We will notify you whether or not the evidence is acceptable. The filing of Form DTF-350, *Group Affidavit*, in accordance with the instructions of that form, is acceptable evidence that may be submitted in lieu of individual powers of attorney.

*Exemption:* If the partnership:

- requested permission to file a group return before December 31, 1996, **and**
- had 50 or more qualified electing partners at the time it requested permission to file,

then the partnership is exempt from the power of attorney submission requirements previously described. This exemption remains in effect as long as the partnership continues to file a group return each year. However, the group agent must still have legal authority to act as an agent for the participating partners in all matters related to the group return. If a partnership must request reinstatement of permission to file a group return because it failed to file a group return for the prior year(s), it will become subject to the power of attorney submission requirements at that time.

### Qualified Nonresident Partner

A *qualified nonresident partner* is a partner who meets all of the following conditions:

- the partner must be a nonresident of **New York State** for the entire tax year;
- the partner did not maintain a permanent place of abode in New York State at any time during the tax year;
- the partner or the partner's spouse must have no income derived from New York sources other than the partner's distributive share of partnership income with New York additions and subtractions allocated to New York, or other income derived from certain New York sources described below;
- the partner or the partner's spouse cannot be subject to the New York State minimum income tax or the New York State separate tax on the ordinary income portion of a lump-sum distribution; and
- the partner must waive the right to claim the New York standard deduction or itemized deduction, the New York dependent exemption, any New York State credits and any carryback or carryover of a New York State net operating loss or capital loss.

If both a husband and wife are partners in the same partnership, both spouses may be included in the group return if they both meet the qualifications described above and both spouses elect to participate. Unless **both** spouses elect to participate, **neither** may participate in the group return.

If a partner, or partner's spouse, has other New York source income only from another partnership, New York S corporation, professional athletic team, or other group or organization that files a group return; and (1) the partner, or partner's spouse, participates in the other group return(s); and (2) the partner, or partner's spouse, does not participate in more than 10 group returns for the taxable year, the partner may be included on the partnership's group return. The partner must also waive the right to claim the allowable exclusion for purposes of the New York City or Yonkers nonresident earnings tax if the partner has New York City or Yonkers income from more than one source. The partner must also notify each group agent that the partner is included on another group return.

**Note:** In the case of a partner and a partner's spouse who are both participating in group returns, the 10 group return limitation, and the waiving of the allowable exclusion for purposes of New York City or Yonkers nonresident earnings tax, is determined individually.

*Example:* A husband participates in a group return for Partnerships A and B and has New York City income from both partnerships. The partner's wife participates in a group return for Partnership C and has New York City income from Partnership C. The husband is participating in 2 group returns for purposes of the 10 group return limitation, and must also waive the allowable exclusion for purposes of the New York City nonresident earnings tax on the group returns of both Partnerships A and B because he has New York City income from more than one source. The wife is participating in 1 group return for purposes of the 10 group return limitation and may claim the allowable exclusion for purposes of the New York City nonresident earnings tax since she has New York City income from only one source.

### Electing to Participate in the Group Return

A qualified nonresident partner elects to participate in the group return by informing the group agent that he or she wishes to participate. The election must be made by the fifteenth day of the fourth month following the close of the tax year for which the election is being made. The partner's inclusion in the group return constitutes notice to the Tax Department that the partner is electing to participate in the group return.

A partner who elects to be included in the group return may not change that election after the fifteenth day of the fourth month after the close of the tax year. However, if it is subsequently determined that a partner included in the group return did not meet the definition of a qualified nonresident partner for the tax year, the partner would be required to file an amended return on an individual basis.

A partnership filing a group return must attach to its Form IT-204, *New York State Partnership Return*, a list showing the name (in either alphabetical or social security number order) and social security number of each partner who will be included on the group return.

### City of New York and City of Yonkers Nonresident Earnings Taxes

If a partnership files a group New York State return **and** the partnership has income derived from New York City or Yonkers sources, the partnership **must** also file a group New York City or Yonkers nonresident earnings tax return. The group city return must include all qualified nonresident partners who participate in the group state return. If a partner does not participate in the group state return, the partner may not participate in the group city return.

However, a partnership may file a group New York City or Yonkers return even if the partnership is not filing a group New York State return. To be eligible to file a separate group city return, the partnership must have 11 or more qualified nonresident partners for city purposes who elect to participate in the city group return.

A *qualified nonresident partner* for New York City or Yonkers purposes is a partner who meets all of the following conditions:

- the partner must be a nonresident of **New York State** for the entire tax year;
- the partner did not maintain a permanent place of abode in New York State at any time during the tax year; and
- the partner must have no income derived from New York City or Yonkers sources other than the partner's share of the partnership's net earnings from self employment allocated to New York City or Yonkers. (A partner cannot be included on more than one group city return unless the partnership is also filing a group New York State return.)

A partnership that elects to file only a city group nonresident return must make application to the Tax Department, appoint a group agent, and submit any required powers of attorney in the same manner that applies for New York State purposes.

If the separate city election is made, each of the participating nonresident partners will file an individual New York State nonresident income tax return and omit the New York City or Yonkers entries on the return. The partner must attach a statement to the return that the New York City or Yonkers nonresident earnings tax is being reported separately on a group return filed by the partnership. The statement must also contain the special New York identification number assigned to the partnership.

### Estimated Tax Payments

A partnership that has received approval to file a group nonresident return may also elect to file group estimated tax installments on behalf of its qualifying nonresident partners.

The group installments are filed on Form IT-2105, *Estimated Tax for Individuals*. The form must show the name and address of the partnership and the special New York identification number assigned to the partnership. Enter on Form IT-2105 the total state and city estimated tax paid on behalf of the group. However, the group agent must maintain records to show that portion of the total that is paid on behalf of each participating partner.

If a qualified nonresident partner who was included in the group estimated tax decides not to participate in the group return, or if the partnership subsequently decides not to file a group return for the tax year, the group agent should notify the Tax Department no later than February 15 of the year in which the return is due. This notification must contain the following information:

- the name and address of the partnership;
- the special New York identification number assigned to the partnership;
- partner's name, address, and social security number;
- the amount of state and, if applicable, city estimated tax paid on the partner's behalf; and
- a request that the payment or payments be transferred to an individual estimated tax account in the partner's name.

If more than one partner included on the group estimated tax will not be participating, the above partner information should be provided for each partner. The notification must be mailed to: New York State Tax Department, Estimated Tax Unit, W A Harriman Campus, Albany NY 12227-0125. (See *Private Delivery Services* on the front page.)

This transfer of estimated tax payments could take two to three weeks to become effective. If the partner files an individual personal income tax return before the transfer becomes effective, the partner will not get credit for these payments when the return is processed, and a tax due notice will be issued to the partner. Therefore, this time period should be taken into account when filing the partner's individual tax return.

If a partner who was included in the group estimated tax notifies the group agent after February 15, 1999, but before April 15, 1999, the group agent should notify the Tax Department immediately, using the procedure described above. In these situations, the individual partner may wish to request an extension of time to file to insure that the estimated tax payment will be properly credited to the individual account.

### Amended Return or Federal Change

An amended group return must be filed if an amended federal return is filed by the partnership, or if a federal audit of the partnership changes any of the partnership items of income,

gain, loss or deduction reported on the original group return. An amended group return must be filed within 90 days of the date the federal amended partnership return is filed, or, in the case of a federal audit, within 90 days after the final determination of the change. Attach a copy of the federal report of examination changes and a signed statement by the group agent indicating that the partnership concedes the federal audit changes. If the partnership does **not** concede the federal audit changes, attach a signed statement explaining why.

## Forms IT-203-GR-ATT-A, ATT-B, and ATT-C

### Schedules A, B, and C

If you are filing a group New York State return you must complete Schedule A. You must also complete Schedule B and/or Schedule C if the partnership has income derived from New York City or Yonkers.

If you are filing a group New York City or Yonkers return only, do not complete Schedule A. However, you must complete Schedule B and/or Schedule C.

Use as many schedules as you need. Enter the column totals for all pages on the last page of each set of schedules.

Note: You may computer generate Schedules A, B, and C, provided they conform substantially to the official schedules.

## Schedule A

**Column C** — Enter the total of the amounts shown on lines 1-7 (except line 4e(1)) of the partner's federal Schedule K-1 (Form 1065) or the amounts shown in boxes 1-4 of the partner's federal Schedule K-1 (Form 1065-B) and the income amounts such as, general partner's taxable income from a trade or business, general partner's taxable income from rental real estate, general partner's capital gain from rental real estate activities, guaranteed payments, etc., from box 9 of the partner's federal Schedule K-1 (Form 1065-B).

**Column D** — Use the instructions for Schedule B, Part III in Form IT-204-I, *Instructions for Form IT-204, Partnership Return*, to determine the amounts to be entered in column D.

**Column E** — Enter the amounts shown on lines 9 and 11 of federal Schedule K-1 (Form 1065) or the amounts shown in box 9 of federal Schedule K-1 (Form 1065-B) that represent deductions not allowed in computing the amount shown in Column C. These include amounts paid on the partner's behalf for medical insurance, and contributions to IRA, Keogh, and SEP plans. Do not include in this column any deductions that are required to be treated as itemized deductions on the partner's federal income tax return. Also, do not include the partner's federal deduction for one-half of self-employment tax, since this deduction is not treated as a partnership deduction for federal purposes.

**Column F** — The amount in column E is allocated to New York in the same manner as its related federal item of income, gain or loss was allocated. If a deduction item included in column E does not relate to a particular federal item, it is allocated to New York based upon the percentage of total federal partnership income, gain, or loss that was allocated to New York.

**Column G** — Determine the portion of each New York addition and subtraction shown on lines 9-13 of Form IT-204 that is allocated to New York. An addition or subtraction is allocated to New York in the same manner as the federal items of income, gain, or loss to which it relates. Enter the total amount of the additions and subtractions allocated to New York as a net addition or subtraction.

**Column M** — Place an "X" in this column if the partner is participating in another group return.

## Schedule B

**Column D** — Use the instructions for Form IT-204-NYC, *New York City Nonresident Partner Allocation*, to determine the amount of column C to be entered in column D.

**Column E** — If the partner has New York City income from only one source, use the *Exclusion Table* on this page to determine the amount to be entered in column E.

**Column K** — Place an "X" in this column if the partner is participating in another New York City group return and enter "0" in column E.
