Who must file

Complete Quarterly Schedule H if you file Form ST-100 and you sold any clothing or footwear eligible for exemption from the state sales and use tax.

Clothing and footwear eligible for exemption means clothing and footwear for humans that sold for less than \$110 per item...

Items eligible for exemption include athletic clothing, as well as fabric, thread, yarn, buttons, snaps, hooks, zippers, and other items used to make or repair clothing...

For a detailed list of eligible clothing and footwear, see TSB-M-00(1)S.

The following items are not eligible for exemption:

- Clothing and footwear that sold for \$110 or more per item.
Costumes or rented formal wear.
Items made from pearls, precious or semi-precious stones, jewels, or metals...
Athletic equipment.
Protective devices, such as motorcycle helmets.

Local taxing jurisdictions in the state also may elect to exempt sales of eligible clothing and footwear from their local tax rate.

If a local jurisdiction does not elect to exempt these sales, tax will be charged at the local rate only.

Sales of clothing and footwear not eligible for exemption are subject to both state and local taxes and should be reported on the appropriate jurisdiction lines on Form ST-100.

Specific instructions
