**Vendor collection credit**

The vendor collection credit does not apply to this schedule.

**Who must file**

Any vendor who is registered to make PromptTax payments of sales tax must file Form ST-810.6, *Quarterly Schedule P for Part-Quarterly Filers*. Use Form ST-810.6 to report the PromptTax payments of sales tax you made during the quarter covered by this schedule. If you are a vendor who is required to remit PromptTax payments for more than one sales tax type (that is, prepaid sales tax on motor fuel and diesel motor fuel **and** sales tax) you must remit (and report) each tax type separately. You may use Form ST-810.6 **only** to report the PromptTax payment of sales tax. Use Form FT-945/1045-A, *Monthly Schedule FT*, to report PromptTax payments of prepaid sales tax on motor fuel and diesel motor fuel.

**When to file**

Form ST-810.6 must be filed quarterly with Form ST-810, *New York State and Local Quarterly Sales and Use Tax Return for Part-Quarterly Filers*. Form ST-810 is due 20 days after the end of the quarter covered by the return.

**Line instructions**

As a participant in the PromptTax program, each month you may either pay the actual tax due for the 22-day period, or you may estimate your monthly PromptTax payment based on last year's comparable period. Since you may exercise either option **each month**, you must report each month separately on this form (Form ST-810.6).

Whichever option you choose, you may reduce your PromptTax payment by the amount of any prepaid tax credits (prepaid tax on cigarettes, motor fuel, or diesel motor fuel) you are entitled to for the 22 days. However, for the months in which you base your PromptTax payment on last year's comparable quarter, you **must** compute the PromptTax payment on your **total** sales tax liability for that quarter (before making any credit adjustments allowable in that quarter) and **then** deduct your **current** prepaid tax credits.

If your PromptTax payment for any month was based on actual tax due for the 22-day period, enter that amount in the box labeled *Actual tax due for the period* indicated (for example, 12/1/02 through 12/22/02). Do **not** complete this box for any period in which your PromptTax payment was based on last year's comparable quarter. If you are claiming any prepaid tax credit for the period, enter that amount in the box labeled *Actual prepaid tax for the period*.

Do not compute or include any penalty or interest due on your PromptTax payments.
