General information

Who must file

Form CT-184 filers — If you do business, employ capital, own or lease property, or maintain an office in the Metropolitan Commuter Transportation District (MCTD), you must file Form CT-184-M and pay the metropolitan transportation business tax surcharge (MTA surcharge) on business done in the Metropolitan Transportation Authority region. The MCTD includes the counties of New York, Bronx, Kings, Queens, Richmond, Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, and Westchester.

When and where to file

This return is due on March 15 following the close of the calendar year. If March 15 falls on a Saturday, Sunday, or legal holiday, the return is due on the next business day. Mail your return to:

**NYS CORPORATION TAX
PROCESSING UNIT
PO BOX 22038
ALBANY NY 12201-2038**

Private delivery services

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to mail in your return and tax payment. However, if, at a later date, you need to establish the date you filed your return or paid your tax, you cannot use the date recorded by a private delivery service **unless** you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* on page 2 of these instructions for information on obtaining forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your return, contact that private delivery service for instructions on how to obtain written proof of the date your return was given to the delivery service for delivery. If you use **any** private delivery service, whether it is a designated service or not, send the forms covered by these instructions to: State Processing Center, 431C Broadway, Albany NY 12204-4836.

Extension of time for filing MTA surcharge return

You may request additional time to file an MTA surcharge return. File Form CT-5.9, *Request for Three-Month Extension to File*, on or before the due date of the return for which you are requesting the extension and pay the MTA surcharge you estimate to be due.

Completing your tax return

Amended return — If you are filing an amended return, please mark an **X** in the *Amended return* box on the top of the form.

Employer identification number, file number, and other identifying information — For us to process your corporation tax forms, it is important that we have the necessary identifying information. Keep a record of that information and include it on each corporation tax form mailed.

If you use a paid preparer or accounting firm, make sure they use your complete and accurate identifying information when completing all forms.

Whole dollar amounts — You may elect to show amounts in whole dollars rather than in dollars and cents. Round any amount from 50 cents through 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Negative amounts — Show any negative amounts with a minus (-) sign.

Percentages — When computing allocation percentages, convert decimals into percentages by moving the decimal point two spaces to the right. Round percentages to four decimal places.

Example: $5,000/7,500 = 0.6666666 = 66.6667\%$.

Third-party designee — If you want to authorize another person (third-party designee) to discuss this tax return with the New York State Tax Department, mark an **X** in the *Yes* box in the *Third-party designee* area of your return. Also enter the designee's name, phone number, and any five-digit number the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss the return with the Tax Department, enter **Preparer** in the space for the designee's name. You do not have to provide the other information requested.

If you mark the *Yes* box, you are authorizing the Tax Department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); and
- respond to certain Tax Department notices that you shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

You are not authorizing the designee to receive your refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file Form POA-1, *Power of Attorney*, making that designation with the Tax Department. Copies of statutory tax notices or documents (such as a *Notice of Deficiency*) will only be sent to your designee if you file Form POA-1.

You cannot revoke the third-party designee authorization or change the PIN. However, the authorization will automatically end on the due date (without regard to extensions) for filing your next year's tax return.

Line 10 — If you do not pay the MTA surcharge on or before the original due date (**without** regard to any extension of time for filing), you must pay interest on the amount of the underpayment from the original due date to the date paid.

Line 11 — Compute additional charges for late filing and late payment on the amount of MTA surcharge, minus any payment made on or before the due date (**with** regard to any extension of time for filing). - C. If you do not pay the MTA surcharge shown on a return, add to the MTA surcharge ½% per month up to 25% (section 1085(a)(2)).
- D. The total of the additional charges in items A and C above may not exceed 5% for any one month, except as provided for in item B above (section 1085(a)).

If you think you are not liable for these additional charges, attach a statement to your return explaining the delay in filing, payment, or both (section 1085).

Note: You may compute your penalty and interest by accessing our Web site and clicking on *Electronic Services*, or you may call and we will compute the penalty and interest for you (see *Need help?* below).

Line 13 — If line 6 is less than line 7, subtract line 6 from line 7. This is the amount of overpayment which may be divided between lines 14, 15, and 16 in any way you choose.

Collection of debts from your refund or overpayment — We will keep all or part of your refund or overpayment if you owe a past-due, legally enforceable debt to a New York State agency, or if you owe a New York City tax warrant judgment debt. We may also keep all or part of your refund or overpayment if you owe a past-due legally enforceable debt to another state, provided that state has entered into a reciprocal agreement with New York State. If we keep your refund or overpayment, we will notify you.

A New York State agency includes any state department, board, bureau, division, commission, committee, public authority, public benefit corporation, council, office, or other entity performing a governmental or proprietary function for the state or a social services district. We will refund or apply as an overpayment any amount over your debt.

If you have any questions about whether you owe a past-due, legally enforceable debt to a state agency, or to another state, or whether you owe a New York City tax warrant judgment debt, contact the state agency, the other state, or the New York City Department of Finance.

For New York State tax liabilities only, call 1 800 835-3554 (from areas outside the U.S. and outside Canada, call (518) 485-6800) or write to: NYS Tax Department, Tax Compliance Division, W A Harriman Campus, Albany NY 12227.

Schedule A — Computation of MCTD allocation percentage

If you do **all** of your New York State business within the 12 counties of the MCTD, do not complete this schedule. Enter **100** on line 2. If you do part of your business outside the MCTD, compute an MCTD allocation percentage by completing the appropriate part of this schedule.

Part 1 — General transportation or transmission corporations

General transportation and transmission corporations such as trucking, railroad, cable television operators, and messenger service companies must use Part 1.

- For **general transportation corporations**, the MCTD allocation percentage is based on miles traveled within the 12 counties of the MCTD compared to total miles traveled within New York State.

- For **cable television operators**, the MCTD allocation percentage is based on gross receipts from subscribers within the 12 counties of the MCTD compared to gross receipts from subscribers within New York State.

Part 2 — Corporations operating vessels in MCTD territorial waters

Corporations operating vessels must use Part 2. The same type of information used on Form CT-183, *Transportation and Transmission Corporation Franchise Tax Return on Capital Stock*, in Schedule A, Part 2, is required; however, you must use 2006 figures.

Part 3 — Telegraph corporations and local telephone corporations

A telegraph corporation or **local** telephone corporation must use Part 3. The MCTD allocation percentage is based upon total gross operating revenue from transmission services performed wholly within the 12 counties of the MCTD, compared to total gross operating revenue from transmission services performed within the entire state during the period covered by the return.

Line 21 — Enter the gross operating revenue received from telegraph services performed wholly within the MCTD in column A. Enter the gross operating revenue received from telegraph services performed within the entire state in column B.

Line 22 — Column A: Enter the gross operating revenue received from local telephone services performed wholly within the MCTD. To determine gross operating revenue in the MCTD you must: (1) follow the same instructions for 2006 Form CT-184, line 22, except you must substitute *MCTD for New York State*, and (2) from the amount determined in (1) deduct the following (if sold to your customers for ultimate consumption):

- 100% of separately charged receipts derived from the provision of inter-LATA, interstate, international, or inter-MCTD telecommunication services; and
- 30% of separately charged receipts from the provision of telecommunication services that originate and terminate entirely within a LATA and entirely within the MCTD (but not including any receipts from carrier access services).

Line 22 — Column B: Enter from 2006 Form CT-184, line 47, the gross operating revenue received from local telephone services performed within the entire state.

Composition of prepayments claimed on line 7

If you need more space, write **see attached** in this section, and attach a separate sheet showing all relevant prepayment information. Transfer the total shown on the attached sheet to line 7.
