General information

The certified capital company (CAPCO) credit is equal to 100% of a taxpayer's investment of certified capital in CAPCOs established under Tax Law section 11. You must claim the credit over 10 years, with 10% allowed each year. The total credit available in any particular tax year is the 10% allowed for that year plus any carryovers from prior years. For additional information, see TSB-M-98(2)C, *Summary TSB-M - Additional 1997 Corporation Tax Legislative Changes*, TSB-M-98(7)C, *1998 Summary of Corporation Tax Legislative Changes*, TSB-M-99(3)C, *Summary of 1999 Corporation Tax Legislative Changes Taking Effect in 1999*, TSB-M-00(2)C, *Summary of 2000 Corporation Tax Legislative Changes Taking Effect in 2000*, and TSB-M-04(4)C, *Summary of Corporation Tax Legislative Changes Enacted in 2004*.

Certified capital company (CAPCO) tax credits extended

Tax Law section 11 was amended to provide for CAPCO program 5. This program provides 60 million dollars of certified capital, which may be allocated and allowed as tax credits under Tax Law sections 11 and 1511(k). Although investments in this program may begin in 2005, the credits may not be claimed until 2007. For more information, see TSB-M-05(3)C, *Summary of Corporation Tax Legislative Changes Enacted in 2005*.

Transferability of CAPCO tax credits

The Tax Law allows an insurance corporation that is a certified investor in a CAPCO to transfer or sell unused CAPCO tax credits, in whole or in part, to any affiliate within an affiliated group of taxpayers that is subject to tax under Article 33. The transfer or sale of the credit will not affect the time schedule for claiming the credit transferred or sold.

The insurance corporation making the transfer or sale must notify the Tax Department and the Insurance Department of the transfer or sale of the credit within 45 days of the date of the transfer. There is no specific form to notify the Tax Department and the Insurance Department. The insurance corporation that transfers or sells the credit must send a letter including the names of the corporations and their employer identification numbers, the date of transfer or sale, program number under which the credit was allocated, and the total amount of unused credit being transferred or sold, to the following addresses:

**NYS TAX DEPARTMENT
INCOME/FRANCHISE DESK AUDIT BUREAU
W A HARRIMAN CAMPUS
ALBANY NY 12227**

**CHRISTOPHER RULON, ASSISTANT DIRECTOR
ADMINISTRATION AND OPERATIONS
NYS INSURANCE DEPARTMENT
TAXES AND ACCOUNTS BUREAU
ONE COMMERCE PLAZA
ALBANY NY 12257**

Once the insurance corporation has properly notified the Tax Department and the Insurance Department of the transfer, the affiliate may claim a credit or refund of the CAPCO credit transferred. The transferee corporation claims the CAPCO credit by filing Form CT-33.1.

This provision is retroactive and applies to any CAPCO credits transferred on or after August 1, 2003. If a transferee corporation has already filed its return for a tax year beginning in 2003, 2004, or 2005, for which it is entitled to claim a CAPCO credit, it may claim the CAPCO credit for such year by filing Form CT-8, *Claim for Credit or Refund of Corporation Tax Paid*, and attaching the 2005 version of Form CT-33.1. A claim for credit or refund of tax must be filed within three years from the date the return was filed, or within two years from the date the tax was paid, whichever is later. For more information, see TSB-M-06(2)C, *Transfer of certified capital company (CAPCO) credits for Article 33 (Insurance Corporations)*.
