### Changes for 2009

#### Recent Tax Law changes may affect the amount of estimated tax that individuals will be required to pay for 2009.

- Revised New York State tax rate schedules may require you to increase the amount of estimated tax you pay. See page 8 of these instructions for new tax rate schedules if your New York taxable income is:
  - more than \$300,000, and you are married filing jointly or a qualifying widow(er);
  - more than \$200,000, and you are single or married filing separately; or
  - more than \$250,000, and you are a head of household.
- Recent Tax Law changes also revised the prior-year's tax rule. Under this rule, to meet having paid 100% (110%, if applicable) of the tax shown on your 2008 return, you must now recompute your 2008 tax using the 2009 tax rates and itemized deduction rules. Refer to your 2008 New York State tax return as a guide, along with any of the *Changes for 2009*, for recomputing the tax.
- The New York itemized deduction limitation has been revised to further limit a taxpayer's New York itemized deduction. If a taxpayer's New York adjusted gross income is more than \$1,000,000, the New York itemized deduction is now limited to 50% of the federal itemized deduction for charitable contributions. All other federal itemized deductions will be reduced to zero based on the new limitation.
- Any shortage in a taxpayer's April 15, 2009, payment that is attributable to the increased tax rates or itemized deduction change, must be included in the taxpayer's June 15, 2009, payment.
- The definition of New York source income of a nonresident individual has been amended to include a percentage of gains or losses from a nonresident individual's sale or exchange of an interest in an entity that owns real property in New York State, if that property has a fair market value equal to or greater than 50% of all the entity's assets. The entities covered by the new law are partnerships, limited liability companies (LLCs), and S corporations or non-publicly traded C corporations with 100 or fewer shareholders. This provision applies to a sale or exchange of an interest in an entity that occurs on or after May 7, 2009.
- The Empire State film production credit has been revised. If the amount of the credit is at least \$1,000,000 but less than \$5,000,000, the credit must be claimed over a two-year period. If the amount of the credit is \$5,000,000 or more, the credit must be claimed over a three-year period.
- The fuel cell electric generating equipment credit has been repealed. However, taxpayers who have a carryover of the fuel cell electric generating equipment credit may continue to carry that credit forward until it is used up.
- There have been various amendments made to the Empire Zones Program. For additional information, see TSB-M-09(4)I, *Legislative Changes to the Empire Zones Program*.
- The New York City school tax credit has been reduced for tax years 2009 and after. If your income is \$250,000 or less, and you are a married individual filing a joint return, or a qualifying widow(er) with dependent child, the credit is \$125. For all others with incomes of \$250,000 or less, the credit is \$62.50.

### General information

Estimated income tax is the amount of New York State, New York City, and Yonkers tax you expect to owe for the year after subtracting:

- the amount of tax you expect to have withheld;
- the estimated income tax paid with Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*;
- the estimated income tax paid with Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*;
- the estimated income tax paid on your behalf by a partnership or S corporation; **and**
- the amount of any credits you plan to take.

If any of your income is subject to New York City or Yonkers resident income taxes or Yonkers nonresident earnings tax, substitute *New York City* or *Yonkers* for *New York State* in the following instructions to determine if you are required to make estimated payments of these taxes.

**Who must make estimated income tax payments** — Generally, you must pay estimated income tax if you expect to owe, after subtracting your withholding, estimated income tax paid with Form IT-2663 and/or IT-2664, estimated income tax paid on your behalf by a partnership or S corporation, and credits, at least \$300 of either New York State, New York City, or Yonkers tax for 2009, and you expect your withholding, estimated income tax paid with Form IT-2663 and/or IT-2664, estimated income tax paid on your behalf by a partnership or S corporation, and credits to be less than the smaller of:

1. 90% of the personal income tax shown on the 2009 return, or
2. 100% of the personal income tax shown on the 2008 return (110% of that amount if you are not a farmer or a fisherman and the New York adjusted gross income shown on that return is more than \$150,000, or, if married filing separately for 2009, more than \$75,000). **Note:** To meet this condition, the tax shown on your 2008 return must be recomputed using 2009 tax rates and itemized deduction rules.

However, if you did not file a 2008 tax return, or your 2008 return did not cover all 12 months, item 2 above does not apply.

Do not include in your estimate any amount of sales or use tax you expect to owe on your 2009 personal income tax return.

**When to pay your estimated income tax** — Generally, you must make your first payment of 2009 estimated income tax by April 15, 2009. You can pay all your estimated income tax with the first voucher or pay it in four equal installments on April 15, June 15, September 15, 2009, and January 15, 2010.

Changes in income, deductions, or exemptions during 2009 may require you to amend your original estimate or to begin making estimated tax payments after April 15, 2009. Use the *Amended estimated income tax worksheet* on page 8 of these instructions to amend your original estimate. If you are required to begin making payments after April 15, 2009, the payment due dates are as follows:

If the requirement is met after:	Payment due date is:
March 31 and before June 1	June 15, 2009
May 31 and before September 1	September 15, 2009
August 31	January 15, 2010

If you file your 2009 New York State income tax return on or before February 1, 2010, and pay the full balance of tax due, you do not have to make any payment which would otherwise be due on January 15, 2010.

If, after March 31, 2009, you have a large change in income, deductions, additional taxes, or credits that requires you to start making estimated income tax payments, you should compute the amount of your estimated income tax payments by using the annualized income installment method explained in Publication 94, *Should You Be Paying Estimated Tax in 2009?*, and Form IT-2105.9-I, *Instructions for Form IT-2105.9, Underpayment of Estimated Tax by Individuals and Fiduciaries*, Worksheet 1 (and, if applicable, Worksheet 2 and Worksheet 3). Although your payment due dates will be the same as shown on page 1, the payment amounts will vary based on your income, deductions, additional taxes, and credits for the months ending before each payment due date. As a result, this method may allow you to skip or lower the amount due for one or more payments. If you use the annualized income installment method, be sure to file Form IT-2105.9 with your 2009 tax return, even if no penalty is owed.

**Farmers and fishermen** — There is only one required installment date, January 15, if two-thirds or more of your federal gross income for 2008 or 2009 is from farming or fishing. You must either pay 66⅔% of your 2009 tax by January 15, 2010, or file your New York State return by March 1, 2010, and pay the total tax due.

**Fiscal-year filers** — If you report your income on a fiscal-year basis, adjust the calendar year due dates to correspond with the fifteenth day of the fourth, sixth, and ninth months of your fiscal year, and the first month of your succeeding fiscal year. If any due date falls on a Saturday, Sunday, or legal holiday, your return is due on the next regular workday.

**Where to file** — Mail your payment and Form IT-2105 to:

**NYS ESTIMATED INCOME TAX  
PROCESSING CENTER  
PO BOX 4122  
BINGHAMTON NY 13902-4122**

#### Private delivery services

If you choose, you may use a private delivery service, instead of the U.S. Postal Service, to mail in your return and tax payment. However, if, at a later date, you need to establish the date you filed your return or paid your tax, you cannot use the date recorded by a private delivery service **unless** you used a delivery service that has been designated by the U.S. Secretary of the Treasury or the Commissioner of Taxation and Finance. (Currently designated delivery services are listed in Publication 55, *Designated Private Delivery Services*. See *Need help?* on page 6 of these instructions for information on obtaining forms and publications.) If you have used a designated private delivery service and need to establish the date you filed your return, contact that private delivery service for instructions on how to obtain written proof of the date your return was given to the delivery service for delivery. If you use **any** private delivery service, whether it is a designated service or not, send the forms covered by these instructions to: JPMorgan Chase, NYS Tax Processing — Estimated Tax, 33 Lewis Rd, Binghamton NY 13905-1040.

**How to complete the payment voucher** — Enter the social security number or taxpayer identification number of the primary taxpayer and print the name and address in the spaces provided. To ensure that payments of estimated income tax are properly credited to you, this information must agree with the information on your New York State income tax return. Your name must be spelled correctly, with your **first** name entered first on the voucher.

**Foreign addresses** — Enter the information in the following order: city, province or state, and then country (all in the *City, village, or post office* box). Follow the country's practice for entering the postal code. **Do not abbreviate the country name.**

Enter the amount(s) due, rounded to the nearest dollar, as computed at the bottom of the *Estimated income tax worksheet* on page 7 of these instructions or line 6 of the *Amended estimated income tax worksheet* on page 8, in the appropriate space(s) on the

voucher. Be sure to **separately enter** the amounts for New York State, New York City, and Yonkers; then enter the total in the *Total payment* box. If there is **no amount** to be entered, **leave blank**.

If you paid too much tax on your 2008 return and you chose to apply the overpayment to your 2009 estimated income tax, you may apply all or part of the overpayment to any installment. When computing the amounts to be entered in the *Record of estimated income tax payments* on page 8 of these instructions, you may apply an estimated overpayment of New York State, New York City, or Yonkers income tax to an estimated underpayment of New York State, New York City, or Yonkers tax. Enter only the **net** amount, rounded to the nearest dollar, of each installment in the appropriate space(s) on the voucher. **Do not** send the voucher unless you are including a payment.

You may now make your payment by transferring funds directly from your bank account (ACH debit) using the Tax Department's Web application. Go to our Web site at [www.nystax.gov](http://www.nystax.gov) and click on *Online Tax Center*. **Do not** send a voucher if you are making your payment by ACH debit.

You may also pay by check, money order, or credit card. Make the check or money order payable to **New York State Income Tax** and write your social security number and **2009 IT-2105** on it. Enclose the check or money order with the payment voucher and mail to the address shown on the front of the voucher. Please detach any check stubs before mailing your check and the voucher. If you pay by credit card, do not mail in this payment voucher. You will be charged a fee by the credit card service provider to cover the cost of the transaction. For more information on the credit card payment program, access *Online Tax Center* on the Tax Department's Web site (at [www.nystax.gov](http://www.nystax.gov)).

Please fill in the *Record of estimated income tax payments* section on page 8 so that you will have a record of your past payments.

**You can view and reconcile your estimated income tax account by accessing our Web site at [www.nystax.gov](http://www.nystax.gov) and clicking on *Online Tax Center* or by calling our Personal Income Tax Information Center; see *Need help?* on page 6.**

**Penalty for underpayment of estimated income tax** — You may be charged a penalty for not paying enough estimated income tax, or for not making the payments on time. The penalty does not apply if each payment is timely and the total tax paid is:

- at least 90% (66⅔% for farmers and fishermen) of the amount of income tax due as shown on your return for 2009; or 90% of the tax due if no return was filed; **or**
- 100% of the income tax shown on your return for 2008 (110% of that amount if you are not a farmer or a fisherman and the New York adjusted gross income shown on that return is more than \$150,000 or, if married filing separately for 2009, more than \$75,000) (you must have filed a return for 2008 and it must have been for a full 12-month year). **Note:** To meet this condition, the tax shown on your 2008 return must be recomputed using 2009 tax rates and itemized deduction rules; **or**
- 90% of the income tax computed by annualizing the taxable income received for the months ending before the due date of the installment.

The penalty will not apply if you are a New York State resident (or a nonresident or part-year resident with New York source income) and you had no tax liability for the full 12-month preceding tax year.

To compute the penalty yourself, use Form IT-2105.9 and its instructions, Form IT-2105.9-I.
