## How to fill out your tax return

### Business information

Enter the corporation's business information at the top of the first page. Be sure to enter the corporation's mailing name if different from its legal name.

If you need to update your corporation tax address or phone information, you can do so online. Visit our Web site (see *Need help?*) and look for the change my address option. Otherwise, enter your new address and/or phone number in the appropriate area of your return and mark an **X** in the box under the address. Do not mark an **X** in this box if your address and/or phone number

is new since your last filing but was already updated online, or for any change of business information other than your address and/or phone number. Once your corporation tax information is updated online, you do not need to indicate a change of address on any corporation tax forms submitted to the Tax Department (or for any forms for tax types you select to be updated in addition to corporation tax).

If you prefer to change your address by form, use Form DTF-96, *Report of Address Change for Business Tax Accounts*. You must report other changes (such as business name or ID number) on Form DTF-95, *Business Tax Account Update*. You can get these forms from our Web site, by fax, or by phone (see *Need help?*).

### Entry formats

**Entering dates** — Unless you are specifically directed to use a different format, enter dates in the *mm-dd-yy* format (using dashes and not slashes).

**Negative amounts** — Show any negative amounts with a minus (-) sign.

**Percentages** — When computing percentages, convert decimals into percentages by moving the decimal point two spaces to the right. Round percentages to four decimal places.

**Example:**  $5,000/7,500 = 0.6666666 = 6.6667\%$ .

**Whole dollar amounts** — You may elect to show amounts in whole dollars rather than in dollars and cents. Round any amount from 50 cents through 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

### Third-party designee

If you want to authorize another person (third-party designee) to discuss this tax return with the New York State Tax Department, mark an **X** in the Yes box in the *Third-party designee* area of your return. Also **print** the designee's name, phone number, and any five-digit number the designee chooses as his or her personal identification number (PIN). If you want to authorize the paid preparer who signed your return to discuss the return with the Tax Department, **print** the preparer's name in the space for the designee's name and enter the preparer's phone number in the space for the designee's phone number. You do not have to provide the other information requested. If you do not want to authorize another person, mark an **X** in the *No* box.

If you mark the Yes box, you are authorizing the Tax Department to discuss with the designee any questions that may arise during the processing of your return. You are also authorizing the designee to:

- give the Tax Department any information that is missing from your return;
- call the Tax Department for information about the processing of your return or the status of your refund or payment(s); and
- respond to certain Tax Department notices that you shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

You are not authorizing the designee to receive your refund, bind you to anything (including any additional tax liability), or otherwise represent you before the Tax Department. If you want the designee to perform those services for you, you must file Form POA-1, *Power of Attorney*, making that designation with the Tax Department. Copies of statutory tax notices or documents (such as a *Notice of Deficiency*) will only be sent to your designee if you file Form POA-1.

You cannot change the PIN. The authorization will automatically end on the due date (without regard to extensions) for filing your next year's tax return.

**Important reminder to file a complete return:** You must complete all required schedules and forms that make up your return, and include **all pages** of those forms and schedules when you file. Returns that are missing required pages or that have pages with missing entries are considered incomplete and cannot be processed, and may subject taxpayers to penalty and interest.

## Use of reproduced and computerized forms

Photocopies of returns are acceptable if they are of good quality and have an original signature in the proper place. We will accept computer-produced corporation tax returns if they meet our printing specifications. For more information, see Publication 76, *Specifications for Reproduction of New York State Corporation Tax Forms*.

If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

### Tax shelter penalties

The Tax Law provides penalties for failure to disclose certain transactions and related information regarding tax shelters and for the underpayment of taxes due to participation in these shelters. For more information, refer to TSB-M-05(2)C, *Disclosure of Certain Transactions and Related Information Regarding Tax Shelters*.

For a complete copy of the information contained in all of these statements, you may obtain Publication 131, *Your Rights and Obligations Under the Tax Law*, by visiting our Web site or by calling (see *Need help?*).
