## Claim for EZ Capital Tax Credit

### Temporary deferral of certain tax credits

For tax years beginning on or after January 1, 2010, and before January 1, 2013, if the total amount of certain credits that you may use to reduce your tax or have refunded to you is greater than \$2 million, the excess over \$2 million must be deferred to, and used or refunded in, tax years beginning on or after January 1, 2013. For more information about the credit deferral, see Form IT-500, *Income Tax Credit Deferral*.

If you are subject to the credit deferral, you must complete all credit forms without regard to the deferral. However, the credit amount that is transferred to your tax return to be applied against your tax due or to be refunded to you may be reduced. Follow the instructions for Form IT-500 to determine the amounts to enter on your tax return.

### Empire Zone capital tax credit changes

If you made a contribution to an approved community development project before the expiration of the Empire Zones Program on June 30, 2010, you may continue to claim the Empire Zone capital tax credit for any additional contributions you make to that approved project before April 1, 2014. The project and all contributions must be approved by the Commissioner of Economic Development prior to June 30, 2010.

Direct equity investments made to certified Empire Zone businesses after June 30, 2010, no longer qualify for the EZ capital tax credit.

You may continue to use any credit carryovers from previous years against your tax liability. However, any business that was required to obtain an EZ retention certificate but was denied one will not be eligible to claim the EZ capital tax credit for investments in certified EZ businesses or carryovers of the credit. No EZ retention certificate is needed to claim the EZ capital tax credit for contributions to community development projects, or carryovers of the credit from such contributions.

### General information

Tax Law section 606(l) allows an empire zone (EZ) capital tax credit to be applied against the taxes imposed by Article 22.

The EZ capital tax credit is equal to 25% of the contributions of money to community development projects made during the tax year that are certified by the Commissioner of Economic Development, as defined in regulations issued by the Commissioner of Economic Development.

Section 606(l) imposes **three limitations** on the capital tax credit, as follows:

- 1) The credit may not exceed the tax due under Article 22.
- 2) The total amount of credit allowable to a taxpayer for all years may not exceed \$300,000, and the total credit allowed for contributions may not exceed \$100,000 (for additional limitations under section 606(l), see the instructions for line 10).
- 3) The credit and carryover of the credit may not exceed 50% of the tax imposed by Article 22, section 601, without regard to any credit.

This credit is not refundable; however, any amount of credit or carryover of credit not deductible in the current tax year may be carried over to be deducted from the tax for succeeding tax years.

**Attachments required** — Empire State Development Corporation issues Form Z10, *Eligibility to Apply for a Zone Capital Tax Credit*, to taxpayers. Form Z10 authorizes the taxpayer to receive an EZ capital tax credit against the taxpayer's New York State personal income or franchise tax. Therefore, attach a copy of Form Z10 to Form IT-602, when applying for the EZ capital tax credit.

No EZ retention certificates need to be attached to this form.

## Schedule C — Partner's, shareholder's, or beneficiary's share of credit for contributions of money to EZ community development projects

Enter your share of the EZ capital tax credit received from a partnership, New York S corporation, or an estate or trust. If you belong to more than one partnership, New York S corporation, or estate or trust, enter the total of all your shares of credit on the appropriate line.

**Line 5 — Partner:** Enter your share of the EZ capital tax credit from your partnership. This information should be provided to you by the partnership. If you are claiming a credit from more than one partnership, combine all amounts on line 5. (Tiered partnerships see below.)

**Line 9 —** Enter 50% of the amount on line 8.

If the credit and carryovers of the credit allowable for any tax year exceed the taxpayer's tax for the tax year, the excess and the amount disallowed because of the 50% limitation may be carried over to the following year(s) and may be deducted from the taxpayer's tax for that year(s).

**Line 10 —** The total amount of credit allowed for contributions to community development projects may not exceed \$100,000. However, if a married couple is required to file separate New York State returns, the \$100,000 limitation is reduced to \$50,000 unless the taxpayer's spouse has no credit allowable for the tax year that ends with or within the taxpayer's tax year.

For an estate or trust, the \$100,000 limitation is reduced to an amount that bears the same ratio to \$100,000 as the portion of the income of the estate or trust that is not allocated to beneficiaries bears to the total income of the estate or trust.

**Column C —** For recapture purposes, the amount of the credit to be added back must be the portion of the credit attributable to the stock, or other ownership interest disposed of, or the payment or contribution recovered, multiplied by one of the following percentages:

- 100%, if the disposition or recovery occurs within the tax year or within 12 months of the close of the tax year in which the credit was allowed

Complete lines 23 through 28, but do not enter the amount from line 27 on your tax return. See Form IT-500, *Income Tax Credit Deferral*, to determine the proper amount to enter on your tax return.

**Line 28** — Subtract line 27 from line 21 to arrive at your EZ capital tax credit to be carried forward to future year(s). You will need to refer to this figure when completing next year's Form IT-602.

### **Schedule G — Beneficiary's and fiduciary's share of credit and recapture of credit**

An estate or trust must complete Schedule G. If an estate or trust allocates or assigns the credit to its beneficiaries, base the division on each beneficiary's share of the income of the estate or trust.

**Fiduciaries:** Enter your column D amount on line 20.
