

Instructions for Form IT-250

Claim for Credit for Purchase of an Automated External Defibrillator

Personal Income Tax

Temporary deferral of certain tax credits

For tax years beginning on or after January 1, 2010, and before January 1, 2013, if the total amount of certain credits that you may use to reduce your tax or have refunded to you is greater than \$2 million, the excess over \$2 million must be deferred to, and used or refunded in, tax years beginning on or after January 1, 2013. For more information about the credit deferral, see Form IT-500, *Income Tax Credit Deferral*.

If you are subject to the credit deferral, you must complete all credit forms without regard to the deferral. However, the credit amount that is transferred to your tax return to be applied against your tax due or to be refunded to you may be reduced. Follow the instructions for Form IT-500 to determine the amounts to enter on your tax return.

General information

Effective for tax years beginning on or after January 1, 2001, Tax Law section 606(s) allows a credit to eligible taxpayers for the purchase of an automated external defibrillator, as defined under Public Health Law section 3000-b. You may claim the credit for each automated external defibrillator you purchased. However, you may not claim the credit for an automated defibrillator purchased for resale during the year. The credit is not refundable, and you may not carry any unused credit forward to future years.

Who is eligible

- individuals
- estates or trusts
- partners in a partnership (including members of an LLC treated as a partnership for federal income tax purposes)
- shareholders of a New York S corporation
- beneficiaries of an estate or trust.

How to claim the credit

File Form IT-250 if you are an individual, a partnership, or an estate or trust and you qualify for the credit. In addition, if you are a partner in a partnership (including members of an LLC treated as a partnership for federal tax purposes), a shareholder of a New York S corporation, or a beneficiary of an estate or trust, file Form IT-250 to claim your share of the credit from your entity.

A partnership must file Form IT-250 with Form IT-204, *Partnership Return*, showing the partnership's total credit for the purchase of an automated external defibrillator(s).

An S corporation cannot file Form IT-250. It must file Form CT-250, *Credit for Purchase of an Automated External Defibrillator*. If you are a shareholder of a New York S corporation, obtain your share of the S corporation's credit from the S corporation, and report it on Form IT-250, Schedule C.

Amount of credit

The credit is equal to the lesser of the purchase cost of the unit, or \$500. There is no limit on the number of units purchased during the tax year for which the credit may be taken. However, the credit cannot exceed \$500 for **each** unit purchased.
