Beer Production Credit

IT-636-I

General information

The New York State Tax Law provides a credit to taxpayers who meet certain requirements and are subject to tax under Articles 9-A and 22. Individuals (including sole proprietors), estates and trusts, shareholders of an S corporation, partners in a partnership (including a member of a limited liability company (LLC) that is treated as a partnership for federal income tax purposes), and beneficiaries of an estate or trust may claim the credit on Form IT-636.

Eligibility

To be eligible for this credit, you must meet **all** of the following requirements:

- you are subject to tax under Article 9-A or 22
- you are registered as a distributor under Article 18 (Taxes on Alcoholic Beverages)
- you produce 60 million gallons or less of beer in New York State during the tax year

Credit information

The amount of credit per tax year for each gallon of beer produced in New York State on or after April 1, 2012, is:

- 14 cents (.14) per gallon for the first 500,000 gallons of beer produced, plus
- 4.5 cents (.045) per gallon for each gallon of beer produced in excess of 500,000 gallons.

However, no credit is allowed for any beer produced in excess of 15,500,000 gallons during the tax year.

Any unused amount of credit for the current tax year will be treated as a refund or overpayment of tax to be credited to next year's tax. Interest will not be paid on the refund or overpayment.

Who must file

File Form IT-636 if you are an individual, a beneficiary or fiduciary of an estate or trust, a partner in a partnership, or a shareholder of an S corporation, and you are claiming the beer production credit.

An estate or trust that divides the credit among itself and its beneficiaries must submit Form IT-636 with Form IT-205, *Fiduciary Income Tax Return*, showing each beneficiary's share of the credit.

A partnership must submit Form IT-636 with Form IT-204, *Partnership Return*, showing the total credit.

An S corporation does not file Form IT-636; it must file Form CT-636. If you are a shareholder of a New York S corporation, obtain your share of the S corporation's credit from the S corporation and follow the instructions on this form for claiming your credit on your personal income tax return.
