General information

Tax Law § 210-B.10(a) provides a tax credit to every taxpayer that has entered into a contract with the State of New York Mortgage Agency (SONYMA) to service mortgages SONYMA acquired according to the State of New York Mortgage Agency act.

The credit may not reduce the tax due below the fixed dollar minimum tax. Any amount not used in the current tax year may **not** be refunded, credited as an overpayment, or carried forward.

The amount of credit allowed for the current year is allocated by SONYMA who supplies a letter stating the amount allowable.

You may not apply this credit against the metropolitan transportation business tax (MTA surcharge).

Corporate partners

Since there is no provision in Tax Law Article 22 for the credit, corporate partners may not receive the credit as a pass through from a partnership.

Combined filers

A taxpayer filing as a member of a combined group may claim the credit, which is calculated on a separate basis but applied against the combined tax.

Line 2: Enter the amount from Form CT-3 or Form CT-3-A, Part 2, line 2 **plus** any net recapture of other tax credits.
