**Important Notice**

November 2006

---

**International Fuel Tax Agreement (IFTA) Renewal  
2007 Licenses and Decals**

To: Law enforcement agencies  
District attorneys  
Executive officials of municipalities  
Judges, magistrates, town justices, and village justices

All 2006 IFTA licenses and decals will expire on December 31, 2006. New IFTA licenses and decals for 2007 will be issued by the various IFTA member jurisdictions for use beginning December 1, 2006. The **2007 IFTA decals** will be **blue with white lettering**.

To give carriers ample opportunity for compliance, the 2006 IFTA licenses and decals continue to be valid and may be displayed during January and February 2007. Therefore, during the period December 1, 2006, through February 28, 2007, either the 2006 or the 2007 IFTA licenses and decals are valid and may be displayed.

Beginning March 1, 2007, only the 2007 IFTA licenses and decals will be valid and must be displayed. All 2006 decals must be removed from the qualified motor vehicles, and the licenses and decals must be destroyed. On or after March 1, 2007, a carrier operating a qualified motor vehicle without a valid 2007 IFTA license and decals may be issued a citation under section 1815(a)(1)(A)(ii) of the Tax Law. Qualified motor vehicles that operate only within New York State may operate with only a highway use tax (HUT) permit and sticker.

The issuance of 2007 IFTA licenses and decals does not affect the New York fuel use tax trip permits. These permits are valid for the period shown on the permit.

**Note:** Generally, vehicles subject to the highway use tax and IFTA must have both a HUT/AFC (Automotive Fuel Carrier) permit and sticker, and an IFTA license and decals, to operate in New York State. For information about exemptions from the highway use tax or from the fuel use tax, see Publication 529, *Guide for Law Enforcement Officials*. To get a copy of Publication 529, see *Need help?* on back.
