

Important Notice

2000 International Fuel Tax Agreement (IFTA) Renewal

Your 1999 IFTA license and decals will expire on December 31, 1999. You must complete and submit the enclosed application (Form IFTA-11, *New York State International Fuel Tax Agreement (IFTA) License Renewal Application*) to get your 2000 IFTA license and decals for your qualified motor vehicles. To ensure that you receive your 2000 IFTA license and decals on time, we must receive your application by December 13, 1999.

You must resolve any existing highway use tax (truck mileage tax) and fuel use tax liabilities, and file any delinquent returns before your new IFTA license and decals can be issued. If you need help filing any returns, call the Business Tax Information Center at 1 800 972-1233.

Your 2000 IFTA license and decals for the calendar year January 1, 2000, through December 31, 2000, will be valid and may be displayed beginning December 1, 1999. You must make photocopies of the license and carry a copy in each qualified motor vehicle. There is no fee for the IFTA license. Be sure to keep the original license in a safe place.

You will need two 2000 decals for each qualified motor vehicle to be operated under your IFTA license. There is an \$8 fee for each set of two decals ordered. You may purchase additional decals, as needed, if you expect to add motor vehicles to your fleet. However, no credit or refund of the decal fee is given for unused decals. Decals must be permanently affixed to the vehicle in the manner described on the back of the decal. Vehicle transporters, manufacturers, dealers, or drive-away operations may use temporary means to attach decals to both sides of the cab.

To allow you sufficient time in which to place a copy of your 2000 IFTA license in your vehicles and to affix the new decals, there is a two-month grace period for the display of your 1999 license and decals. Your 1999 IFTA license and decals may be displayed through February 29, 2000. You must have a 2000 license and display 2000 decals by March 1, 2000. Therefore, during the period December 1, 1999, through February 29, 2000, both 1999 and 2000 IFTA licenses and decals are valid and either may be displayed.

The 1999 IFTA licenses and decals need not be surrendered to the Tax Department for cancellation. However, they must be removed from your vehicles and destroyed by February 29, 2000.

Truck Mileage Tax

Vehicles subject to IFTA and truck mileage tax must have both the IFTA license and decals and the HUT or AFC permit and sticker.
