

SUBSTANCE OF THE PROPOSED RULE

DEPARTMENT OF TAXATION AND FINANCE

Part W of Chapter 56 of the Laws of 2010 transferred various responsibilities relating to real property tax administration from the State Board of Real Property Services and the Office of Real Property Services to the Commissioner of Taxation and Finance. As amended, Real Property Tax Law (RPTL), section 201 provides that the functions, powers and duties of the State Board of Real Property Services and the Office of Real Property Services shall be functions, powers and duties of the Commissioner of Taxation and Finance except as provided for the State Board in section 200-a of the RPTL.

The purpose of this proposal is to move the rules for real property tax administration from Chapter I of Subtitle F of Title 9 to Title 20, which contains the rules of the Commissioner of Taxation and Finance, as a new Chapter XVI, Real Property Tax Administration. Parts 185 through 201 of the former Chapter I of Subtitle F of Title 9 will be renumbered Parts 8185 through 8201 within Chapter XVI of Title 20.

In addition to the renumbering, the rule corrects obsolete references, updates functions in line with current statute, and makes other technical updates. References to the State Board or board where the State Board retains its authority pursuant to section 200-a of the RPTL remain.

Overall:

- a. References to ORPS, State Office, executive director, Counsel to the State Board, board, State Board, Bureau of Equalization Rates, State Valuation Services were updated where appropriate to conform with statute.
- b. These references were amended to Department, Commissioner, Deputy Commissioner or ORPTS in most cases. References to the State Board or board where the State Board retains its authority pursuant to section 200-a of the RPTL remain.

Part 8185 General Administration:

a. Definitions for “certified counties” (41), “certified school districts” (42), “engineering report” (79) and “VO-3 additions and retirements” (310) are repealed. “Certified counties” relate to RPTL, section 845, which was repealed and “certified school districts” relate to RPTL, section 1315, which was also repealed. The definitions for “engineering report” and “VO-3 additions and retirements” refer to the Interstate Commerce Commission which is now an obsolete agency and reporting is not necessary.

b. The definition for “general tendency” is corrected to be “central tendency” (section 8185-1.1(a)(40)).

c. A definition for the State Board of Real Property Tax Services (State Board) is added (section 8185-1.1(a)(253)).

d. References to the Interstate Commerce Commission are updated to the national Surface Transportation Board (Part 185).

e. Subpart 185-2, Public Access to Records is repealed as this authority can be found in 20 NYCRR 2370.1.

f. Subpart 185-3, Personal Records is repealed as this authority can be found in 20 NYCRR 2371.2.

g. Subpart 185-4, Environmental Quality Review is repealed as this authority is no longer required as an office in the Tax Department.

h. Subpart 185-6, Issuance of Certificates is repealed as this is no longer a State Board function and it is not Tax Department policy to charge for certifications of documents.

Part 8187 Informational Hearings, Adjudicatory Proceedings and Review Proceedings:

Subpart 187-3 regarding local disciplinary action is repealed as the governing authority in Real Property Tax Law, section 324 was repealed.

Part 8186 State Equalization Rates, Ratios and Adjustments:

- a. References to delegations by the State Board are deleted as the State Board does not retain the authority to institute policy or directives to staff of the new Office of Real Property Tax Services. (i.e., NYCRR, sections 8186-3(b)) and 8186-4.3).
- b. References to repealed section 186-1.1 regarding general definitions are updated to note that the section is now repealed and set forth in NYCRR, section 8185-1.1 and RPTL, sections 1801 and 1901.
- c. References to school districts designated in repealed NYCRR, section 186-6.1 are updated to note that the section is now repealed and set forth in RPTL, section 1230.
- d. References to definitions in repealed sections NYCRR, Subparts 190-3.1 and 190-4.1 are noted as repealed and set forth in RPTL, sections 1801 and 1802, and section 1901 respectively.
- e. References to NYCRR, sections 186-2 186-7, 186-8, 186-11 and 186-22 are noted as repealed.
- f. The process concerning the preparation of proposed findings and determinations of rate complaints (NYCRR, section 186-15.10) was updated to current practice with the inclusion of language in the preparation of a resolution for the State Board.

Part 8188 Minimum Qualification Standards, Training and Certification of Local Assessment

Administration Personnel:

- a. References to the Municipal Service Division in the State Department of Civil Service is corrected to the new agency name – Office of Commission Operations and Municipal Assistance.
- b. References to certain form names and templates such as for assessor training reimbursement are updated.
- c. A new subdivision (a) is added to NYCRR, section 8188-4.3 regarding the minimum qualification standards for county directors. This language was mistakenly repealed in 1998 and is needed in rules so that staff has a standard with which to review the qualifications of new directors taking office between October 1, 1998 and September 30, 2013. The current section in regulation only applies to county directors taking office

subsequent to October 1, 2013. The language being included is the same language that was in existence when the rule amendments were adopted in 1998.

d. Paragraphs (c) and (d) of NYCRR 8188-2.5 concerning review of a negative determination of qualifications of a newly appointed assessor are added as these paragraphs were inadvertently deleted in 1999. These paragraphs are necessary as there needs to be a mechanism for an assessor to appeal ORPTS' decision where his/her qualifications are not approved. A similar process is in the rules for county directors and other local government officials.

Part 8189 Preparation and Maintenance of Tax Maps for Real Property Assessment and Taxation Administration:

Reference to delegation by the State Board is rescinded as the State Board does not retain the authority to institute policy or directives to staff of the new Office of Real Property Tax Services. (i.e., NYCRR, section 8189-15).

Part 8190 Assessment Rolls:

NYCRR, section 190-3.1 is amended conforming regulation to RPTL, section 1590. Section 1590 was amended by Chapter 56 of the Laws of 2010 to provide that a copy of the tentative assessment roll be filed with ORPTS and that the assessing unit maintain a website and post a copy of the roll on its website. The amended regulation now includes this language, along with the required time frames.

Part 8191 Real Property Transfers:

NYCRR, Subpart 191-3 is repealed as the regulation pertaining to the rescission of Residential Assessment Ratios (RAR) no longer applies. Beginning in 2009, Real Property Tax Law section 738 provides for the process in establishing a RAR.

Part 8193 Assessor's Reports:

a. References to certain forms required for the filing of Assessors' Reports are conformed to the current naming convention.
